

ChemWatch Gold FFX

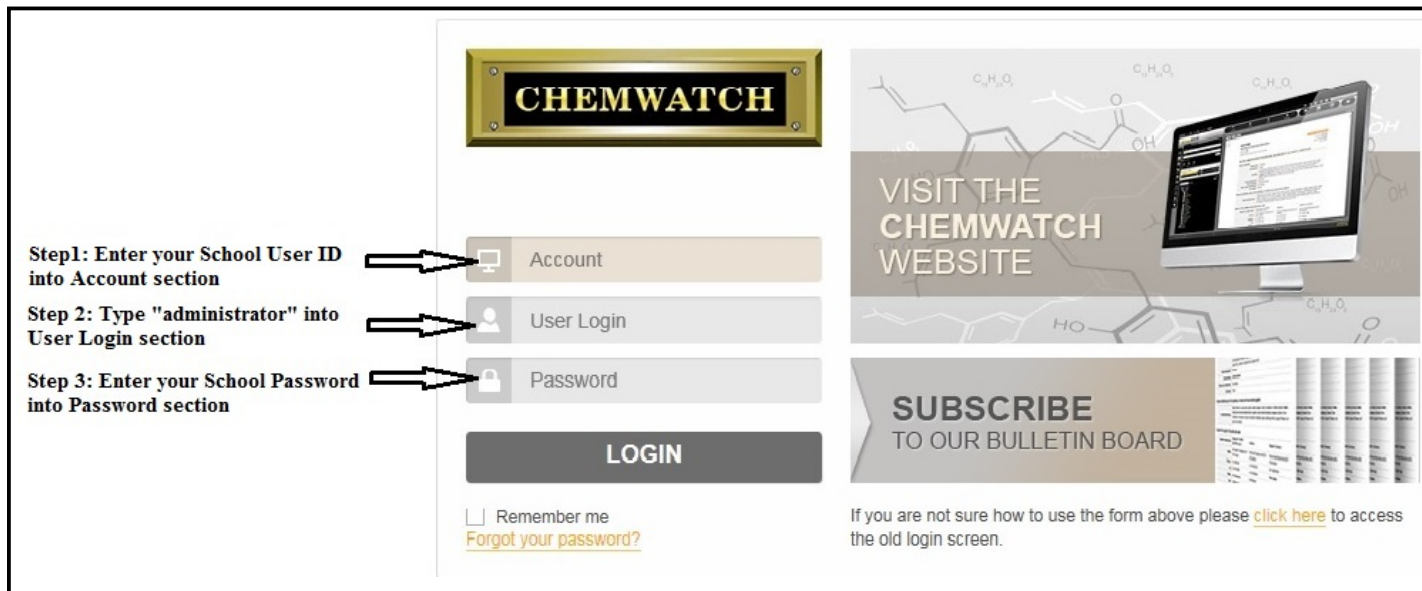

The Department has now transitioned to the ChemWatch *Gold FFX* program. *Gold FFX* has been introduced by ChemWatch to address legislative updates and improve access to chemical safety information. Please find below guidance on how to access the program.

1. How do I access ChemWatch *Gold FFX*?

ChemWatch *Gold FFX* is accessible directly via the following link <http://jr.chemwatch.net/chemwatch.web>. Alternatively, it is accessible through Asset Management's [Chemical Safety in Schools](#) website.

2. What are my ChemWatch *Gold FFX* log on details?

Your User ID and password remain the same. Additional administrator details are required as outlined below:

The screenshot shows the ChemWatch login interface. On the left, three steps are listed with arrows pointing to the corresponding input fields:

- Step 1: Enter your School User ID into Account section** (points to the 'Account' field)
- Step 2: Type "administrator" into User Login section** (points to the 'User Login' field)
- Step 3: Enter your School Password into Password section** (points to the 'Password' field)

The login form includes a 'LOGIN' button, a 'Remember me' checkbox, and a 'Forgot your password?' link. To the right of the form, there is a banner for 'VISIT THE CHEMWATCH WEBSITE' and a 'SUBSCRIBE TO OUR BULLETIN BOARD' section. A note at the bottom right states: 'If you are not sure how to use the form above please [click here](#) to access the old login screen.'

3. Where do I go for further support?
