WSSA Athletics at Barden Park

Congratulations to all participants in WSSA Athletics in Dubbo. All our students did exceptionally well including Eric Fernando who placed 6th in the 11years discus and Sieanna Last who placed 3rd in her heat of the 10 years girls 100m and placed 5th in the final. Well done everyone!

Principal's Message

This week is Year 11 exams all week, Year 12 mock interviews; transition afternoon tea, and information session Tuesday, Year 12 farewell social Thursday and Secondary Street stall Friday. Another very busy week at this outstanding public school.

I encourage people to view our Facebook page and discover the enormous range of activities students offered at this public school. These range from curriculum extension activities through to vocationally based activities. It disappoints me that there is still an elitism in Australia and in Trundle where people believe private or religious based schools provide more for students. Public Education provides the foundation for social cohesion in this country because it caters for every person. It is not dependent on a belief system or socio economic status. Students do not pay for a position at this school, they are entitled to it through the social capital contained in this great country. This school has students who travel from Parkes everyday to attend. That is an enormous vote of confidence. Changing schools should not be seen as a negative. If students wish to move school pressure should not be applied but reflection on how the school could improve. This is certainly my attitude when parents decide to leave Trundle Central School.

Many students and most adults are very tired and a little cranky at the end of term. Please encourage your child to maintain a regular bed time as it is important that they continue to be ready to learn right up to the end of term. The weather is warming up so I encourage students to start wearing hats and putting on sunscreen. This may be some startling news but I am going to say it anyway. Parents are the boss; it is your house so you set the bedtime for your children not the television. No study I have read about child development states that children will die if they do not see the end of the movie on Netflix or finish the game. An unfortunate change I have seen in children is the totally empowered child who makes their own rules. The obvious problem with this is they do not have the cognitive or emotional ability to make good choices. This is why you are the parent not your children.

The purpose of the mock interviews this week, is to better prepare our students for the merit selection process. We all know our first job is the hardest to get

and I believe it is important that our students have the skills to sell themselves to a panel to achieve the best possible outcomes. I wish this service was available when I was at school because in a recent interview in Canberra I was beaten to the job by a person named Scott Morrison, I think I know him from somewhere. However, I hear the job comes up every 12 months anyway.

Last week we received a \$2000 donation from Mrs Leanne Porter and Mrs Sam Lydford. Ryan Lydford and Clay Hartin shaving his head and Joel Lyndford shaving his beard at the Boomers presentation night raised this money. This donation will go directly into the Trundle community. The school now has over \$35,000 to be spent in selected Trundle businesses that provide essentials to the farming community. Not all businesses could be included because administratively it is too difficult and Sydney people donated for essentials for farming families not what are essentially luxuries. However, if we take a small part of the financial burden this drought creates away from farmers there may be money to spend on luxuries. Every farming family on our enrolment list should receive a letter outlining \$1800 of available credit in local businesses. Please return your preference list and money allocation so we can issue you with the voucher and start to put this money into the Trundle economy. I encourage our farmers to accept and spend this money because this is not charity it is recognition that our farmers produce the best food and fibre in the world.

Last week we also received a donation from the staff at Hanson Concrete. This was food and \$1650 dollars in cash. Hanson concrete has been a long-term friend of the school donating truck rims for our school to work program and looking after us when we require products from Parkes. Again, this money will go directly to Trundle businesses. I thank Hanson Concrete Parkes for being a long time supporter of this school. You could almost say our relationship is set in concrete, a solid foundation for the future with a rock hard guarantee.

Last week I was in touch with an organisation who has offered to pay the freight costs of carting water to farms. They will use where possible local contractors so again the money will stay in our town. If you are a family on tank water and you are contacted for a water delivery please except the generosity of our friends in Sydney and accept the load of water. This is almost guaranteed to make it rain because it always rains when water tanks are full.

Smiles on Site Dental van will be visiting next week if we achieve the desired numbers. I thank the 13 parents from Tullamore Central that have agreed for their children to access this outstanding service.

I will contact parents through Facebook if we do not achieve the desired numbers. It could go either way at this stage.

Ajax, our *Pets as Therapy* dog has settled in well and I have decided that we will keep him at the school. His main role is pastoral care and he has proven himself an asset to the school. Since we have had Ajax I have had three other schools contact me interested in implementing a similar program at their school. This school is always willing to try new programs and strategies and in many ways, another school implementing a similar strategy to us is a compliment.

Head lice continues to be a problem across the community. This form of lice does not discriminate they like male or female heads and they do not prefer any religion to another. I am sure even students at catholic schools have head lice on occasions. Therefore if you **find lice in your child's hair try to resist the temptation** to blame other children or the school because they live in the community not only one household or school. Indeed, I have tried many times to farm head lice but building the fences was too tricky and trying to train a dog to yard them is almost impossible. Treating the problem immediately is the only solution because if you do not you are letting your child down it can be embarrassing and effect the whole school community because your child is sharing the itchy bounty contained in their hair. There are many expensive and cheap products on the market and they pretty much work the same. Yes you can start to scratch now.

In recent times, Trundle has been rocked by a violent incident in Long Street. Many people have expressed that our town could be portrayed in a negative light because of this

incident. There could be some truth in this argument short term. However, the news cycle lasts about a week so we should not be worried. In addition, people commit violent acts, not communities so we can not bear a collective responsibility for this very rare incident. Of one thing I am certain, is children should not be exposed to the details of this incident. They should not be subjected to adult issues because their emotions do not place this incident in the context of this beautiful safe community we are privileged to live in.

It is exciting news that Harry and Megan intend to visit Dubbo. Unfortunately, Trundle does not have a big enough airport so they will be forced to drive to the school but they should be able to make it in time for a **sausage sandwich and a nice cup of tea around 2 o'clock. I intend to ask the men's shed to cater and I am sure the minister could whip up a lamington for dessert.**

Happiest Principal at Trundle Central School

TCS Secondary Students Street Stall

The secondary students of TCS are hosting the Trundle Street Stall on Friday 21st September

A BBQ Pit and beauty hamper will also be raffled on the day.

All funds raised will go towards the secondary reward excursions this year

Thanks in advance for your support

YEAR 7 2019 TRANSITION INFORMATION AFTERNOON

18TH SEPTEMBER 3:30PM

Year 7 students for 2019 and their parents are cordially invited to attend an Information Afternoon next Tuesday.

This will be held at 3.30pm starting in the school Library.

- Informal Afternoon Tea meet and greet of Secondary teachers for 2019
- Introductory meeting
- Tour of Secondary learning areas
- Distribution of 2019 Transition packages
- Q & A

Trundle Central School's Transition Program will provide your child with a variety of stimulating and developmentally appropriate activities. The school aims to deliver an effective and comprehensive program for your child to ensure the transition from Pre-School to Kindergarten is a positive and enjoyable experience.

This transition program provides your child with the opportunity to experience success in what may be an unfamiliar environment with new expectations.

Our experienced Kindergarten teacher will ensure that your child's entry into the school setting is a happy and positive experience by providing a two hour session every week in Term 4.

TRUNDLE CENTRAL SCHOOL KINDER TRANSITION PROGRAM

Some of the play based activities in our Transition Program will include:

- * Getting to know the experienced Kindergarten teacher, School Learning Support Officer and other Primary staff.
- * Familiarising your child with school routines such as bell times, lining up and using variety of technologies including an interactive whiteboard and iPads.
- * An introduction to phonemic awareness. This is the ability to hear, notice and think about the individual sounds in words. Your child will learn about rhyming words and play with the sounds in words. This is a foundation for later reading success.
- * A Fine Motor/Pre-writing program. These activities will ensure your child has a solid start to Kindergarten with a well-developed pencil grip.
- * The children will have an introduction to our L3 program. Language, Learning and Literacy (L3) is a program that delivers differentiated instruction and personalised learning. L3 supports the development of reading and writing. The students will take part in activities that will allow a seamless transition to school and learning.
- * Building a positive relationship with Ajax, our Therapy dog.
- * Meeting their Big Buddy - we match our Kindergarten students with a Year 6 buddy who will spend the year developing a strong relationship with your child, teaching them how to care for others, friendliness, respect, valuing difference, including others and responsibility.

We look forward to meeting you and your children through this program.

Dates:

Every Thursday

From 25th October 2018 to

6th December 2018

Time: 8:55am—11:30am

Please RSVP by Thursday, 18th October on 68921303.

There will also be a Parent Information session and afternoon tea for the children on Tuesday 18th September at 3:30pm at the school playground.

For further information, please contact:
Fiona Sanderson - Assistant Principal
John Southon - Principal
(02) 68921303

Respect..... Excellence..... Care.....

Ajax's Weekly Woof

Ajax Woof Woof awards:

Southo has adopted me so I now have a permanent home at Trundle Central School. Before I was at Abbotsleigh Anglican College in Sydney so I have not noticed any difference. A big Ajax woof to all the students and staff who have made me welcome. Now to negotiate a pay rise. Dog biscuits and pats are good but a young dog needs to build a future. Come on Southo, put your hands further to those long pockets.

Four big woofs go out to Mia Martin. Thanks for the long walks in the morning.

Four big woofs go out to Kinder, you guys rock. They are so quiet and work so hard I even had a little dog nap on Tuesday in their class. Your **teacher has a problem with the word 'one'**. So many people won something during Maths. It is confusing being a dog.

Ajax is barking mad about parents giving teenagers alcohol. Even dogs know that teenagers do not have the decision making capacity to be able to consume alcohol safely. You are the adults set the example. Ten loud barks !!!! Some teenagers even like cats more than dogs so they cannot think clearly. I am howling mad about teenage parties.

To the High School student who is worried about why other students are bigger and stronger than you. I watch you every day and you are smarter and better looking. Every person has different qualities and abilities. Do not compare yourself to others but try to be better each day.

Until next week, Ajax

Bark with laughter with
Ajax:

What did the skeleton say to
the puppy?

Bone Appétit!

Primary

Students of the week

Kindergarten - Katanah Price

1/2 - Ryland Price

3/4 - Lachlan Skipworth

5/6 - Corey Harvalik

Miss Fitzsimmons - Terry Ede

Sportsperson - Hannah Lynn

Can you believe it is almost the end of term 3? What a busy term it has been with many sporting and cultural opportunities for the students.

Look what is happening in Primary over the last two weeks of Term 3:

| Event | Date | Students Involved |
|--|--|----------------------------|
| Transition Information session and afternoon tea | Tuesday 18 th September | 2019 Kindergarten students |
| Netball | Thursday 20 th September – 1:30pm | Students in years 3-6 |
| Thunder bus – cricket promotion | Thursday 27 th September | All K-6 students |

Morris Gleitzman Excursion

Last Wednesday Year 5/6 were lucky enough to participate in a session with Morris Gleitzman. The students were enthralled by his stories and advice on how to start a great story. Narella won a book by guessing Morris' age.

Transition Afternoon Tea and Information Session

We welcome all interested parents/carers to our Transition afternoon tea and information session to be held on Tuesday the 18th September. This session is an informal and invaluable session for those students attending Kindergarten in 2019 to meet and familiarise themselves with the school and the teachers. Please see the attached flyer for more information about our Transition program.

Thunder Bus – Cricket Promotion

Next Thursday our K-6 students will participate in a cricket promotional visit with an exciting presentation and a variety of great activities. Students may wear joggers for this session.

3/4/5/6 Excursion payments

Just a gentle reminder that excursion payments are due each fortnight during this term. The next instalment of \$20.00 is due next Friday 21st September.

Crunch and Sip

Children are encouraged to bring FRESH fruit or vegetables to school for Crunch and Sip. They are also able to have a sipper bottle of water in the classroom.

WSSA Athletics – Barden Park

The 10 students who represented our school at WSSA Athletics on Friday thoroughly enjoyed their day. They represented our school and Gobondery/NARRAF with pride and a fabulous display of sportsmanship. All our students did exceptionally well including Eric Fernando who placed 6th in the 11 years discus and Sienna Last who placed 3rd in her heat of the 10 years girls 100m and placed 5th in the final. Well done everyone!

Wear your best dancing clothes

Secondary

Firstly a massive congratulations to our students who attended graduation on Thursday night in Dubbo. The students in Year 12, 2018 are photographed on the front page with a list of their achievements. Not only am I impressed with what they have achieved, but I am incredibly proud of the young people they have become. The school will miss these students in 2019.

This week our Year 11 students will be commencing their examinations for the end of Year 11. The students have their timetable and it is also included in this newsletter. Best of luck to all of our students in the exams.

Tomorrow we have scripture in period 5. Our **Year 12's will have their mock interviews** to prepare them for future job interviews. Thanks to Mrs Morgan for her organisation of this activity.

This Tuesday we will be having our Transition Information Afternoon for students and parents of Year 7 for 2019. This will start with an afternoon tea, meet and greet our secondary teachers, followed by an introductory meeting, a tour of our Secondary learning areas, handing out the information packs and answering any questions. Transition, where the Year 6 students take part in Secondary lessons, will actually take place 9.00-11.00 Thursdays in Term 4, Weeks 2 to 8 (25th of October to the 6th of December).

On Wednesday our secondary girls will be continuing with their social program with Centacare. This will take place before recess.

Thursday, we begin the sad process of farewelling Year 12, 2018 with a social. This will be held at the Golf Club from 7.00-10.00pm. Students need to purchase their tickets from Miss Rowlands before the social. This will be followed by a Farewell Assembly next Friday and a dinner in Term 4. Thanks to Miss Rowlands for her organisation.

Friday Miss Rowlands will be harvesting the fruit of **her and the School Service Elective students' hard**

work at a street stall. Please drop by and support the students as all funds raised go directly back into **our students' welfare system. Thanks to all** students and teachers involved in this.

As always if there are any questions in regards to Secondary matters please contact me at school.

Have a great week
Gerry Capell

Congratulations to the following students who have received the correct amount of pink slips to move to a higher level. All students start at Level 3 each semester. Each level has rewards with Level 6 being the highest.

| | |
|---------------------------|---|
| Level 4 (15+ pink slips) | Year 7 – Mya Year 8 – Noah, Aidan, Jye Year 9 – N/A Year 10 – Shelby, Bryce Year 11 – Sasha Year 12 – Maddie, Brodi |
| Level 5 (30+ pink slips) | Year 7 – Grace, Ryami, Casey, Aliethea, Ryan, Harrison, Xander, Alex, Cameron Year 8 – Isabel, Stacey, Jennet, Will C, Lionel, Jamie, Will L, Jason, William Year 9 – Ashlee, Skye, Dylan, Hamish, Jaxson, Nicholas Year 10 – Ella, Emily, Amy, Monique, Holly, Zac, Ethan, Bobbie, Robert, Ryan, Codie Year 11 – Brooke, Harrison Year 12 – Leah, Chelsea |
| Level 6 (75+ pink slips) | N/A |

Trundle Central School

Trundle Foodstore

Trundle Services Club

Boomers Presentation night, 8th September

Winners choose their prize in order drawn
Raffle drawn after Woodbridge Cup Grand Final

\$2 each or 3 for \$5

2018 Country Women's Association Education Grants

Application forms for the 2018 Country Women's Association Education Grants for years 6-12 are available at the school office. It is well worth applying for these grants as last year all those who did so were successful. Parents are urged to give **as much information as possible about their child's** educational and/or sporting needs and interests, as this can positively affect the amount granted. If there is insufficient space on the form, please add another page. The forms should be returned to the school by Wednesday, 19th September.

Enquiries can be directed to:

President: Marion Grange
68921444
Secretary: Carmel Berry
68921216

All assessments must be submitted to the teacher before 8:55am on the due date.

ARTEXPRESS Orange Gallery Excursion

Last Thursday, Lionel (year 8) and our Year 11 and Elective Visual Arts students travelled to the Orange Regional Art Gallery to view a selection of outstanding student artworks developed for the art making component of the HSC examination in Visual Arts in NSW.

They had the opportunity to see a broad range of approaches and expressive forms, including ceramics, drawing, graphic design, painting, photo media, printmaking, sculpture, textiles and time-based forms. Many of the artworks on display are from students from our region.

The students gained a better understanding of developing a 'Body of work' and were also involved in a workshop on creating cyanotypes.

Many thanks to the Gallery, for providing this wonderful opportunity free of charge and to the students, who were a pleasure to take away.

National Merino Wether Challenge

Students from the Wether Interest Elective group travelled to Dubbo to compete in the National Merino Wether Challenge which was held on 28th & 29th August. The students were up at 6.30am each morning feeding and watering the sheep and cleaning their stalls. The sheep were haltered and presented to judges before and after shearing. Micron and wool weights were assessed and weighed, body weight and scanning were carried out as well as fat scoring.

The two days were very long and tiring, however a lot of practical experience was gained, industry practices and standards observed, and new friends were made.

The students were a pleasure to take away and looked and behaved in a mature manner. Well done Jaxson, Dylan, Skye and Codie.

Meeting Morris

Last Wednesday, ten secondary students had the opportunity to meet renowned children's author, Morris Gleitzman at the Parkes Library.

Morris was able to solve one of the perennial problems faced by many writers young and old – how do I begin writing? He read the first paragraph from a few of his novels and it became clear to everyone that you just begin with a character and a problem. Morris then explained that the rest of the storyline should just follow. He went on to say that he is never bored due to his lively imagination and **emphasised the mind's magical qualities, with its ability to take you anywhere. Morris broadly discussed** some of his titles such as *Boy Overboard*, *Once* and *Now* and explained the importance of presenting how children cope with and overcome enormous difficulties they may have to face such as the horrors of war and its inevitable consequences of loss. He did stress that humour is also an important aspect of the human condition and stated that he likes to present life as balance between both.

Morris' favourite word is BUM!

And how do you pronounce his name? It's Gleit as in rhyming with *light*, *white* and *bite* which, he states, makes him sound like a dairy product rather than a writer!!

Raymi makes a new friend.

WEEK 9 NEWS:

Book club orders are due this Tuesday, 18th September. So remember to clearly mark what you want on the order form and remember to put your name on it, then return the order form with your money to the office by 18th September.

Every month we will be 'spotlighting' a different author. September is **Roald Dahl's** birth month. Did you know that if **Roald Dahl** were alive today, he'd be 102 years old; amazingly his legacy lives on. His books are still some of the most popular for children, and films and theatre adaptations of his stories are constantly being produced.

This week, there will be some fun events taking place in our library to celebrate this works of this wonderfully entertaining author. We will have a special Roald Dahl book display in our library and there will be activities and games during lunchtimes, Mrs Rush will read a Roald Dahl story on Tuesday and Wednesday so come along to our library with some friends and join in the fun, and win some prizes too.

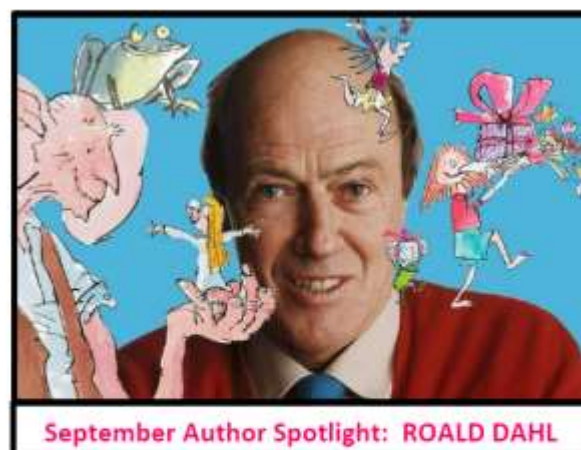

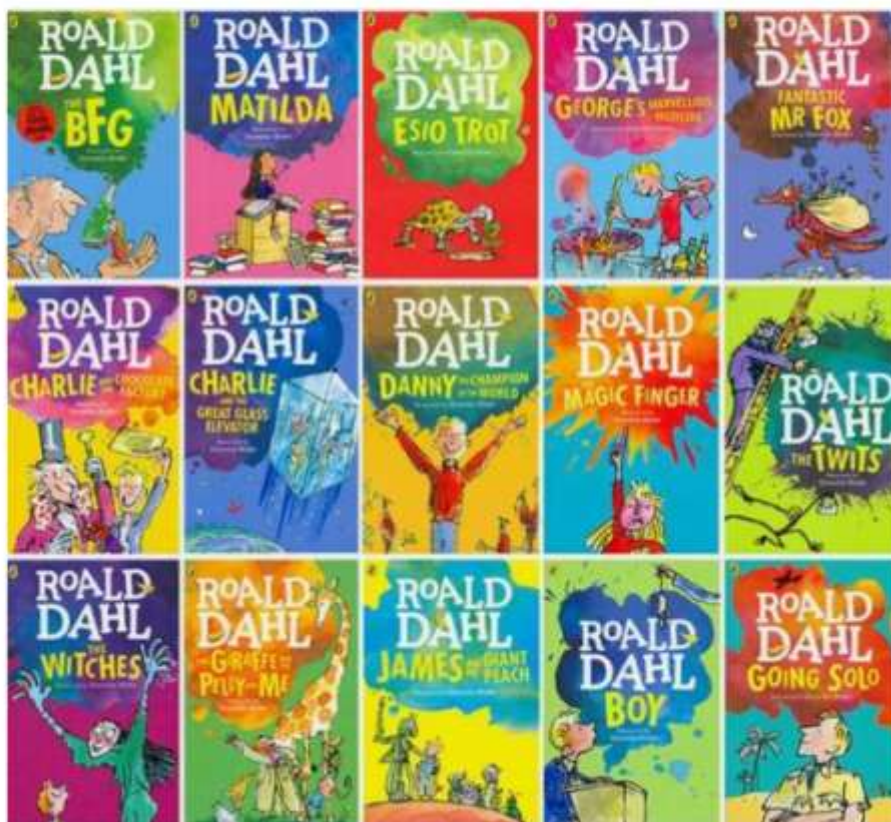

Have you read any of these books we have in our library by Roald Dahl?

You can find these titles on our shelves or you can read them on your device or laptop in our eBook range.

These are fantastic stories for parents to read to their children. Start with the BFG (The Big Friendly Giant) man-eating, dream-catching giants might seem dark for a children's book, but **Dahl's** surreal worlds and silly writing makes this story stay with the reader.

The BFG doesn't want to eat people like the other giants, instead he spends his evenings making sure children have good dreams.

Dahl's quirky sense of humour and brilliant descriptive story telling will not disappoint you!

Have a great Week 9

Mrs Rush, Mrs Prebendarcik and Mrs Hawke
