3rd December 2018

Gobondery Shield

Last Thursday the Gobondery Shield was held at our school. It was a fabulous day, the weather was perfect, the students were enthusiastic and played all the sports with a high level of sportsmanship!

A big thank you needs to go to the P&C who cooked a fantastic dinner and Ms Rowlands and her band of helpers, who provided us with the most delicious donuts for dessert.

Year 3/4 Letters

Year 3/4 were delighted to receive letters from the students at *Rosedale South State School*.

THANK YOU!

Principal's Message

There are 13 days left of school but it seems 30 days of events that need to be completed. This outstanding public school continues to provide quality education to the last day of term 4 so students are expected to attend to the end of the year. Today the Rage Program commenced for 8/10 boys. This will run for the next three Mondays of term. Year 10 non-compulsory work experience all week, Primary Intensive Swimming all week, Gobondery Cup on *Thursday and Threads Out West* visiting Thursday and Friday.

Last week the voucher from Pambula Rotary club was distributed. This is to be used at the newsagent to help stimulate the local economy. On Thursday last week our school hosted the Gobondery Shield. Thank you to Mrs Sanderson for her organisation and passion to 'get things right' for the students of this school. Contrary to some people's perception staff do not get paid extra to organise these activities for your children. They happen because of the goodwill of staff such as Mrs Sanderson.

Threads Out West is a not for profit organisation and is delivering hampers and clothing for our families on Thursday. This is part of our drought relief efforts that we have been involved with over the last three months. The school will not be discriminating between families that live in town and those that live on farms because all people in a town such as Trundle that has a one dimensional economy are effected by drought. Families before the end of term will receive:

- A toiletries package containing quality shampoo, deodorant and quality perfume.
- Food hampers
- Gift vouchers for Target and Big W.
- Christmas presents for children.

This is additional support to the town already provided by the school. Examples include:

- 43,000 dollars injected into local business (more to come).
- Free showers and washing machines
- Subsidisation of the reward trip this term.

- Free sunglasses / hats for k-4 students.
- Free access to Healthy Harrod for two years.
- Primary end of year activities free.
- Secondary / primary book packs
- 120 food hampers
- 400 kilograms of dog food
- 140 cartons of water
- 20 dollar vouchers to be spent in the newsagent.
- Pambula Rotary Club visiting.
- Musical instruments for the school
- Water tanks for the school
- New washing machine for the school.

The response to the call I put out to Sydney schools has been amazing and confirms to me the true value of public education in Australia. I had the idea and have to a large extent been the public face of the effort but I would like to pay tribute to my office staff who have worked tirelessly to coordinate the donations out to families. In addition, teaching staff have tolerated the disruptions and continued to deliver quality education. Our efforts to support our community I hope has helped people through difficult times.

Some time ago a local identity when I asked if they would like recognition for a generous donation to the school said 'it is a waste of time because many of the people that pat you on the back are just waiting for you to take a few more steps forward for an opportunity to kick you in the backside'. I will remember this quote for a long time and now completely understand the message. I hope good people take the time to recognise the outstanding efforts of this school to improve the facilities and programs available to the young people of Trundle. Indeed, next year we will grow again by 10 students and could have up to 20 students in Year 7. This is nothing in a larger community, but considering we had 92 students in 2014 to progress towards 130 students just 4 years later is totally against the trend in nearby towns and something that should be celebrated.

I am very proud of this school. Not only have we consistently grown over the last 4 years we have embraced the concept of continuous improvement in terms of facilities, programs and results. Over the last two years through the efforts of staff and community we have improved our attendance, retention from Year 7 to Year 12 and NAPLAN scores. The most pleasing aspect of NAPLAN is the movement of students from one band below to the top two bands. This school also has our Aboriginal students at or above our non-Aboriginal students, an outstanding achievement. In addition, the changes in assessment policy in High School has resulted in a significant

improvement in submission of completed tasks almost 95% in 2018. Just as pleasing has been the reduction from 70 days lost through suspension between 2014-16 down to only 5 days lost this year. This indicates to me that students want to be at school, staff are supportive to students needs and suspension is not the only strategy in the welfare and discipline policy. In addition, we now have the best computer, sporting and learning programs possible and are constantly looking for more opportunity. The opportunities a child has should not be defined by geography.

Our school is next to be upgraded for more computer band width and additional Wi-Fi access and part of the cooler classrooms programs first round roll out. This will further improve facilities for your children. This school and the Department of Education reflects the ethos of equal access to education and facilities across the whole state. Well done to the students, staff and community of Trundle.

When I arrived in 2014 the school had a 22 seat bus. At the time this bus was completely surplus to requirements, needed seat belts fitted, travelled less than 4000 kilometres per year and was costing considerable money to maintain. Subsequently I sold the bus and down sized to a 12 seat mini bus much to the disgust of the various tables of knowledge in the community. This bus travels in excess of 20,000 kilometres a year but was purchased second hand. It will require an upgrade in the very near future costing approximately 70,000 dollars. We could keep the bus and save the money but I do not want our students arriving to an activity in the worst bus but the best we can provide as a school and community. It is simple, students I believe perform and behave in accordance with the image they are allowed / forced to project. Our bus is one of the public faces of Trundle Central School when we arrive at activities and I refuse to project an image of old and tired. The problem is finding the money. Maybe the pokies, no they are reverse Robin Hood, they actually rob from the poor and give to the rich so I will have to look to other avenues.

The new teacher housing should be completely on line early next year. It is disappointing that an issue with the power supply has delayed the other two residences being rented. However, this construction that injected thousands into local businesses in the construction phase has allowed at this stage two teachers to live in town and contribute socially and financially to this town. I am very proud that where possible my staff choose to live locally rather than commute. This allows them to completely understand the culture and contribute to the wider community.

Thank you to Mrs Kim Williams and Mr Grady for constructing our Merry Christmas signs and erecting Christmas lights. This is not a small or token effort but a recognition from the school that we need to celebrate a productive but in many ways a difficult year. I hope people decorate their houses and Trundle embraces the end of the year as a celebration of the gifts and opportunity this great country gives us rather than the negatives that seem constantly forced upon us. Research indicates a positive message needs to be stated at least 27 times to be believed but a negative needs to be repeated less than 10. This is why negative people are so dangerous in our community and a school because people listen. It never ceases to amaze me the amount of resources and emotional energy is allocated to negativity. I challenge people next time they are exposed to a person's negativity they counter with 27 positive messages. The look on their face will make it worthwhile and we are living the dream in Trundle so 27 should be easy.

Recently a group of students across the state left school to protest against climate change. Whilst I would have preferred students to protest on a weekend and attend school I am proud that education is still the major driver of political and social change. It is ironic that one of the main goals of a comprehensive education is the establishment of lateral thought and the ability to challenge / question established policy and thinking but when young people actually achieve this many want to suppress it.

Finally the quote of the year goes to Andrew Klein. Whilst watching I believe the 1882 (sorry 1982) Grand Final between Parramatta and Manly he said "I was not alive for this game but I am enjoying it because it may be the last opportunity to see Parramatta win a premiership". Reality and humour at the same time.

13 days of school left and 30 days worth of activities. Sounds about the way I want it.

Presentation Night 2018

A special invitation is extended to all parents, guardians and guests to help celebrate a successful 2018 for Trundle Central School and to attend our annual Presentation Night on Tuesday, 11th December beginning at 6.30pm at the Memorial Hall. The night promises to be a wonderful opportunity for students from Kindergarten to Year 12 to be rewarded for their efforts during 2018 and to reflect on our achievements over the year.

Flowers for Presentation Night

Once again we ask for volunteers to help organise and arrange the flowers for the stage for Presentation Night. If you would like to help, please contact the school on 68921303. Donations of flowers or any greenery would also be greatly appreciated and can be left at the school office by 9.00am Tuesday morning, 11th December.

Thank you.

Non Uniform Day for All School - Tuesday 11th December

Students are able to attend school out of uniform on Tuesday 11th December in order that their uniform will be neat and tidy for Presentation Night. Secondary girls must wear navy skirt and primary girls navy tailored skorts for this occasion.

Students must wear appropriate footwear and clothing to school on the day.

Guitar students— Presentation Night

All students who are performing on the night are required to bring their guitars on Tuesday morning. The guitars will be then returned to the library until next year.

Last Day of School

Parents and Carers must note that the last day of Term 4 2018 for students is

Wednesday 19th December

School will resume for Year 1—12 students on

Wednesday 6th February 2019

Kindergarten students start on **Thursday 7th February 2019**

Ajax's Weekly Woof

Woof Woof awards:

4 big happy woofs to all students who are already using their sunglasses and hats. Even Ajax puts clear zinc on his nose to protect from the sun. A young single guy needs to protect his skin.

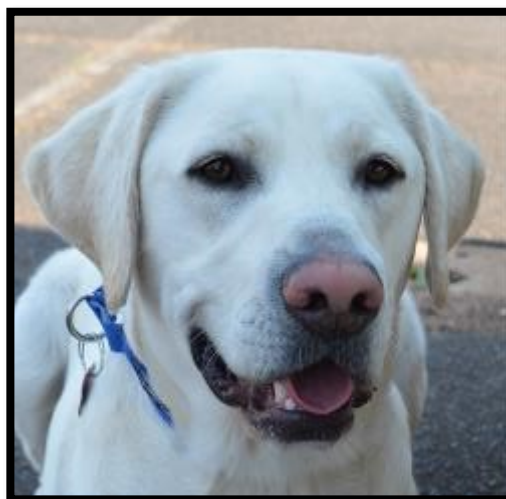

5 big happy woofs to all the Primary students who were well behaved and enthusiastic on Thursday for the Gobondery Shield. Enjoy sport whilst you can because you never know when an accident could make you laid up for a few days.

4 big happy woofs to those students who ask how I am going with my recovery. I am glad in such a short time I have made so many friends.

5 big woofs to those students who I see out exercising and using the pool correctly. We are lucky to have a pool in our town. Well done to Mitch for the way he is running the pool, friendly but maintaining a standard.

4 loud growls to the students who leave rubbish on the oval after soccer and cricket on Thursdays. Southo comes home and says things such as, *get rid of soccer and close the back oval*. Then he re-watches the Sharks grand final victory and calms down.

Negative body image is often created on the thing Southo refers to as the idiot box. I encourage all children to accept difference and the fact that we come in all different shapes and sizes. Even a Labrador knows that the people on TV and magazines are not normal and often the camera plays tricks to make them look better. I have put on lots of weight since my accident but I am proud of my bigger backside and curves I might even sell advertising on my backside.

**Bark with laughter with
Ajax:**

**What happens when it rains
cats and dogs?**

You can step in a poodle!

Q: What do you get when you cross a dog and a calculator?

A: A friend you can count on

Q: What kind of dog sounds like you can eat it?

A: A sausage dog!

Until next week, Ajax

Primary

Students of the week

Kindergarten - Andrew Lynn

1/2 - Cooper Dunn

3/4 - Joshua Clayton

5/6 - Jake Callow

Sportspersons - Phelly Robson, James Smith and Mikayla Penny

Sun Safe Policy

This term is a No Hat No Play term. Students **MUST** wear a wide brimmed hat. This means that if they do not have a hat, they cannot participate in any outdoor activities including lunch time play. We keep a small selection of spare hats for those students who accidentally forget their hats. These hats are washed regularly but are not to be used every day by the same students. We will endeavour to call parents to let them know their child has forgotten their hat so that it can be found. Please make sure you put your child's name inside their hat.

Kindergarten/Year 6 Transition

This week will be the final week of Kindergarten/Year 6 Transition sessions that will run throughout the term.

This year the sessions will run from 8:55 – 11:20 for Preschoolers – Year 5. The Year 6 Transition program will run from 10:00am – 12:30pm.

This will allow the Pre-schoolers and Year 6 to engage in some fantastic activities to ensure the transition from both Preschool and Primary School is a smooth and enjoyable experience.

All classes in primary will be moving up into the next group for these sessions. It is a great way for the students to practise being in a new class.

Upcoming Events

Event	Date	Students Involved
Intensive Swimming	Monday, Tuesday, Wednesday, Thursday, Friday 12:00 – 1:00pm	Selected students from K-6
Farewell Year 6 Assembly	Friday 14th December	All K-6
Farewell Year 6 Social	Wednesday 12 th December	K-2 – 5:30 – 6:30pm 3-6 – 6:30 – 8:00pm

Swimming For Sport

This Friday students who would normally go to the pool at 1:00pm for sport will be going earlier at 12:00pm to allow for the intensive swimming students to participate in two sessions.

Those students who are involved in intensive swimming will need to bring their lunch on Friday.

They may also bring a small amount of money to buy something from the canteen at

the pool as they will remain at the pool until 3:00pm.

Intensive Swimming

Students from K-6 who are invited to attend this year's intensive swimming sessions **must** bring their swimmers, a towel, sunscreen, a swim shirt every day during the ten days, regardless of the weather.

Assembly

Please attend our Farewell Year 6 Assembly next Friday 14th December at 11:45am in the library. This will be our final assembly for the year. We look forward to seeing you all there!

Top Student folder

If your child/ren has been awarded Top Student during this year, please return the Top Student folder to the Front Office as soon as possible.

Farewell Year 6 Social

TRUNDLE CENTRAL SCHOOL

Croft St, Trundle NSW 2875

A school that provides a professional, stimulating and challenging learning environment

Amended:12/6/15

SOCIAL/MOVIE NIGHTS POLICY

Social/movie nights are held at various times throughout the year to provide supervised social interaction to students of the school. Attendance at school social/movie nights is a privilege which is dependent on acceptable behaviour and cooperation from students, along with staff volunteering to supervise.

The following matters are relevant to the holding of social/movie nights at Trundle Central School.

1. Secondary social/movie nights will be organised by the Stage 5 Co-ordinator while Primary social/movie nights will be organised by the Assistant Principal. Attendance by staff at social/movie nights is voluntary. However, it is a requirement that at least 2 teachers indicate that they will be at the social/movie night before a social/movie night can be held.
2. Permission to attend social/movie nights will be granted if the student is on level 3 (secondary) level B or above as per the welfare policy. Primary students may not be granted permission to attend a social/movie night if they have been suspended prior to a social/movie night.
3. Parents / carers are welcome at all social/movie nights.
4. Notification of each social/movie night will be included on the Newsletter prior to the social/movie night being held. This will include the finishing time of each social/movie night.
5. It is expected that students will adhere to normal school standards of behaviour consistent with Trundle Central School's K-12 Welfare and Discipline Policy and Anti-bullying policy.
6. Tobacco, items that can be used as weapons and all forms of alcohol and other drugs are strictly forbidden at social/movie nights. Students found in possession of weapons or illegal drugs will be reported to police.
7. Social/movie nights will be restricted to students attending Trundle Central School.
8. In general, Secondary social/movie nights shall run from 7.30 – 10.30pm in Summer and 7.00 – 10.00pm in Winter. In general, Primary social/movie nights will start at 7.00pm and end at 9.00pm in Summer and 6.30pm – 8.30pm in Winter. Infants' social/movie nights run from 6.00 – 7.00pm in Summer and 5.30 – 6.30pm in Winter. K-6 students must be picked up from the social/movie night by a parent/carer. Students are expected to remain at the social/movie night until the conclusion of the social/movie night. If children need to leave the social/movie night early, an explanatory note from a parent / carer should be given to the teacher organising the social/movie night at school on the day of the social/movie night.
9. Students who do not attend school on the day of the social/movie night should not attend the social/movie night. School absences should be consistent with DET acceptable reasons and students who are away sick should not attend social/movie nights on that night.
10. Students who arrive later than 15 minutes after the social/movie night begins will not be admitted unless the teacher in charge has been notified prior to the social/movie night or the student brings a note from parents. Parents / carers of students not admitted will be phoned immediately before students are sent home. Students will remain under supervision if parents / carers can not be contacted.
11. Students from Trundle Central School who attend social/movie nights at other venues or schools must comply with the above directions where applicable as well as those at that pertain to the venue being visited.
12. This policy will be published in the school newsletter with the social/movie night notification.

Gobondery Shield

Year 3/4 Letters

Trundle Film Society

Trundle Central School Students who are at least 15 year of age are welcome to apply for one of five 12 month memberships of the Trundle Film Society (valued at \$100 each) through the generous sponsorship of the Trundle Services and Citizens Club.

A film society is a club which chooses an annual programme of films to screen for the education and appreciation of it's members.

Screenings are not open to members of the public. As an ancillary activity the Trundle Film Society also produces it's own films and aims to nurture film making skills in our community. You should see the Principal Mr John Southon by Friday 7th December if you are interested in apply-

Secondary

This week we have some Year 10 students completing the second week of Work Experience. It is extremely pleasing when our students head out into the real world for these experiences and return with new ideas and goals.

Today we have our Year 9, 10 and 11 boys participating in the RAGE program. This program allows our students to explore a range of positive mechanisms for dealing with a variety of situations.

On Wednesday we are hosting the Gobondary Cup at school. This year the competition will be between Trundle, Tullamore and Tottenham. This is one of the many activities that not only offer sporting competition for our students but also increases the social interaction between our schools and helps build a cohort for our Western Access Program. Thanks to Mrs Morgan for her organisation of this day.

We are heading steadily towards the end of the year. Next week we have our presentation evening on Tuesday and as usual the calibre of our students has made the conversation around these decisions very robust. It's a pity we do not have the capacity to award more students for their effort in class but we also do not want to diminish the focus on the students who are achieving at the highest level. As always we stress that these awards do not change our perception of any student or the value we hold on all our students, but rather, it is a celebration of this year's effort and creation of aspiration for 2019.

As always if there are any concerns in regards to secondary matters please contact me at school.

Have a great week
Gerry Capell
Head Teacher Secondary Studies

End of term LOTE party Stage

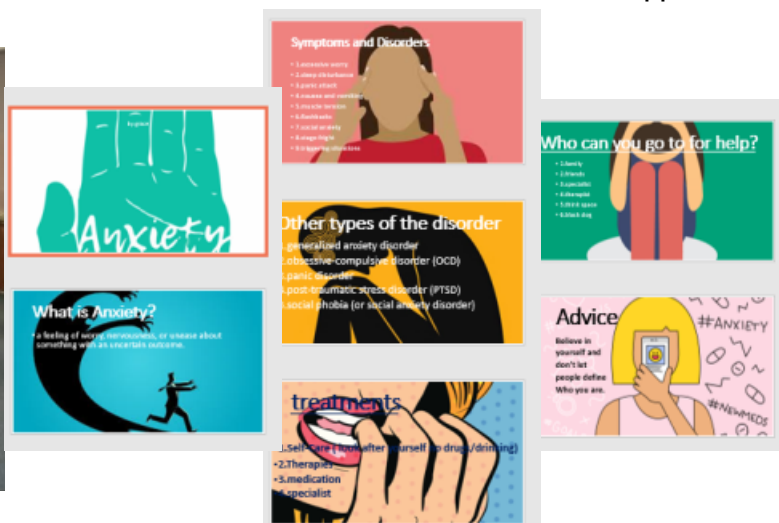

During lessons in week 9, Stage 4 LOTE students will have the opportunity to make and eat Ramen (Japanese noodle soup) and try a variety of Japanese snacks. If your child has any food allergies or significant dietary requirements please contact the school by Friday the 7th December.

Congratulations to the following students who have received the correct amount of pink slips to move to a higher level. All students start at **Level 3 each semester**. Each level has rewards with Level 6 being the highest.

Level 4 (15+ pink slips)	Year 8 – Stacey Year 9 – Anthony Year 10 – Shelby, Holly, Bobbie
Level 5 (30+ pink slips)	Year 7 – Raymi Year 8 – Aidan Year 12 – Brodi
Level 6 (75+ pink slips)	Year 7 – Grace, Casey, Aliethea, Ryan, Harrison, Xander, Alex, Cameron Year 8 – Isabel, Jennet, Will C, Lionel, Jamie, Will L, Jason, William Year 9 – Ashlee, Skye, Dylan, Jaxson, Hamish, Nicholas Year 10 – Ella, Emily, Amy, Monique, Ethan, Zac, Robert, Ryan Year 11 – Brooke, Harrison

This week's adventures with Miss Ward

This week in PE Year 7 have been practicing their table tennis skills. Xander and Cameron took out the round robin championship with Ryan and Harrison following closely by second. During their theory lessons we have been focusing on Mental Health. A special mention to Grace for showing exceptional computer skills when designing a PowerPoint based on mental health disorders and support services.

Year 9-10 PE had their last lesson of lacrosse on Friday. Massive improvements were made from everyone throughout the three lessons and your participation and effort was awesome! In theory we have been working hard covering healthy eating habits, with Bobbie taking out first place in our kahoot quiz.

In Year 9-10 PASS we have moved onto a new and challenging topic of energy systems. All five of the students should be commended on their contribution and determination to learning.

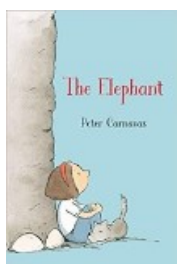

Thank you,
Miss Ward

- Please return all borrowed *GUI-TARS* to the School after presentation night (Tuesday the 11th December).
- A friendly reminder to please return all *OVERDUE LIBRARY BOOKS*. Search high and low for them at home – you never know what you may find

NEW BOOKS

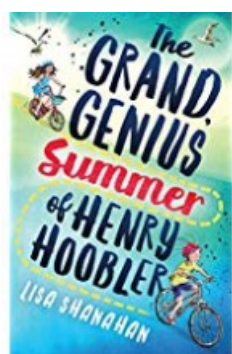

The Elephant

“Your dad won’t fix your bike - until you fix your dad.” Olive’s father has a sadness so big that she imagines it as an enormous elephant following him around. Every day Olive sees the elephant, and every day she wishes it would go. With the help of Grandad and her best friend, Arthur, Olive sets out to chase the elephant away. But how can Olive move something so big?

Because of You

“**Books can save anyone. If they're the right ones.**” Meet Tiny and Nola. Two very different girls with two very different stories who are just trying to find a place to belong. A powerful and compelling novel about friendship, love and acceptance - Tiny is an eighteen-year-old girl living on the streets in Sydney, running from her small-town past. She finds short-term accommodation at Hope Lane - a shelter for the homeless - where she meets Nola, a high school student on volunteer placement. Both girls share their love of words through the Hope Lane writing group. Can they share their secrets, too?

The Grand Genius - Summer of Henry Hoobler

It struck Henry that perhaps he was waiting for the exact right moment to be daring and brave. The exact right moment where he felt no worry at all, not one tiny flicker. But what if that moment never came? Henry Hoobler is a reluctant adventurer who is worried about his summer holiday camping at the beach: bugs, spiders, snakes, stingers, blue-ringed octopi or sharks. Worst of all, his family and friends are pushing him to ride his new silver bike - without training wheels. But when Henry meets Cassie, he discovers that courage is there to be found when you have a friend who is straight-up and true.

MEDIA RELEASE

Summer Reading Club Time!

Kids, get ready to join Parkes Shire Library Summer Reading Club for a fun time - "Curious Creatures" will take over your summer reading!

Summer Reading Club is for all young readers birth and up. The theme this year is "Curious Creatures" to encourage eager young readers to discover new worlds as they explore and connect with a curiosity of creatures through their reading and a range of activities available at Parkes Shire libraries.

Summer Reading Club is being launched at Parkes Library on Tuesday 4 December at 4pm with a special time for readers to sign up, a special guest, surprise creatures and other fun activities.

Children's Services Officers Debbie and Sandie are really excited about this year's Summer Reading Club. "Don't miss out on a really special start to our Summer Reading Club this year, at our launch" said Sandie.

If you are unable to attend the launch on 4 December call into your Library at Parkes, Peak Hill, Trundle and Tullamore and sign up today!

BECOME A HOST FAMILY IN 2019!

REQUEST A FREE INFO PACK / SMS 'HOST' to 0428 246 633

HOSTING AT A GLANCE:

- Hosting is voluntary
- You choose your student
- Students attend high school full time
- 24/7 support provided
- Host families come from all over the state
- Students come from all over the world and stay for a short term (8-10 weeks), a semester or a year.

HEAR FROM A HOST MUM

Hosting has been one of the most rewarding and exciting experiences for our family. Romana, our student, was definitely one of the most kind and pleasant people we have met and right from the start was a perfect fit for our family. Being able to share this experience has had a positive effect on all of my young children.
Host mum, Candice.

EVA (17) BELGIUM

Bonjour!

I am lucky to be part of a large family. With four siblings, there is never a quiet moment! I enjoy looking after the younger two and I spoil them often with homemade pastries. Since the age of five, I have been part of a scout group. Every year I participate with the scouts in trips. Thank you in advance for welcoming me into your family.

Trundle Junior Cricket

On Saturday, the Trundle Juniors hosted the Condobolin Waratahs and on a near perfect day for cricket, Trundle won the toss and elected to bowl first. The Waratahs batted with determination, scoring a respectable 101 runs. Wicket takers for Trundle: Aliethea Stokes 2/20, Noah Byrne 2/6, Charlie Anderson 1/ 2 and Eric Fernando 1/5

At the change of the innings Trundle found runs hard to get after losing 2 early wickets, but settled in and put up a good chase. Unfortunately Trundle lost momentum and fell 16 runs short in an exciting finish.

Run scorers for Trundle: Paddy Williams 17, Charlie Anderson 10, Sam Charlton 5, Noah Byrne 4, Aliethea Stokes 3, Eric Fernando 3, Jim Ramsey 2 and Blair MacDonald 1

Catches for Trundle: Sam Charlton 1, Eric

Fernando 1 and Charlie Anderson 1

Points for Trundle: Charlie Anderson 3, Noah

Byrne 2 and Aliethea Stokes 1

Condo Pizza Award: Reuben Kelly

Trundle Food Store Voucher donated by Carlos: Eric Fernando

Next week Trundle play Colts at the Association Ground, Condobolin and there will be a BBQ at the Showground after the game. Training 4.30 Thursday.

Parish on Christmas Day**

REGISTER YOUR AUTOMATIC EXTERNAL DEFIBRILLATOR

Local business, community and sporting organisations are being urged to register their Automatic External Defibrillator (AED) machines through the St John Ambulance defibrillator register.

The St John's defibrillator register is a national register to record the details and location of AEDs throughout Australia, making the life saving devices more accessible.

Once your AED is registered with St John, the location of your defibrillator will be made available on the St John AED website and through the St John Resuscitate iPhone app.

Parkes Shire Mayor and Lachlan Health Council member, Cr Ken Keith OAM said, "for every minute a person waits for defibrillation, the chance of survival decreases by 10 per cent."

"The register aims to ensure anyone can easily locate and access AED machines throughout our community in order to minimise life threatening situations resulting from sudden cardiac arrest."

Each year, sudden cardiac arrest (SCA) strikes approximately 30,000 Australians. Unfortunately, fewer than 5% survive, often because help cannot reach them in time.

In 2017, Parkes Shire Council invested in five AEDs, which were installed at Council's Administrative Building, Works Depot, Library, and the new Water and Sewage Treatment Plants.

Earlier this year, representatives from Parkes Railway Bowling Club, Peak Hill Golf Club, Parkes Rugby League Club, Parkes Cricket Association and Parkes Rugby Union Club all received a defibrillator and took part in the free training, as part of the NSW Office of Sport Local Sports Defibrillator Grant Program.

To view AED locations, visit the St John Ambulance Australia website aed.stjohn.org.au/ or download the free St John Resuscitate iPhone app.

Memorial Service

For the late Phillip Elger

To be held at Trundle War Memorial Hall

On Saturday 17th November 10:30am

Schools Spectacular
will be on Channel 7

Lesson length is 40 minutes for a one day program or 45 minutes for an eight day program.

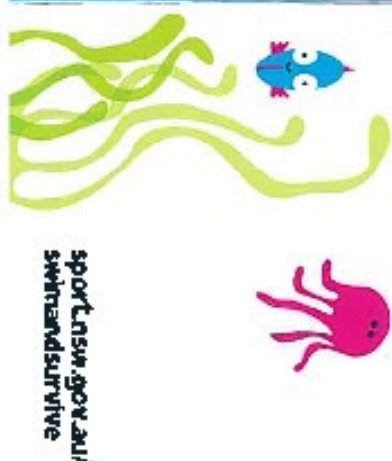

About Our Lessons

The Office of Sport delivers Royal Life Saving Society's national Swim and Survive initiative.

Our program operates throughout regional NSW in communities where it had been to swim opportunities exist.

These classes offer preschool and school aged children progressive through skill grades dependent on their age and ability. Classes are delivered by national qualified instructors and normally run for eight or nine consecutive weekdays.

For more information on lessons near you, visit sportsnsw.gov.au/swimandsurvive or phone 13 13 02.

Looking for a Home or Project?

This property could be either or both!

This solid 2 bedroom home could really do with a make-over, but the potential is there for a charming and comfortable home.

Located in a central but quiet position, the house comes with a large fenced yard and back lane access.

Just a short walk to all town amenities.

Are you the one to bring this little hidden gem up to its full potential?
