Principal's Message

Monday the RAGE program continues for Years 8/9/10 boys, Presentation Night (non uniform day), Super 8 Cricket Finals Tuesday, Eddie Woo presentation at Yeoval Wednesday, Whole School Assembly, Primary Social, SRC afternoon for Secondary Thursday, Secondary Reward Trip & SRC afternoon for Primary Friday. This is a week full of activities that celebrate student achievement and the conclusion to this highly successful, but at times difficult year.

I thank Yeoval Central School for hosting Eddie Woo. He is widely regarded as a leader in the teaching of Mathematics. It is vitally important that our students and staff be exposed to best practice in teaching. This school cannot operate in isolation we must judge our performance against what is considered best practice across the state. What this means is, I do not care if it is the best we can do or better than last year, it has to be as good as or better than any school in the state to be acceptable.

One of my personal goals is to reduce any disadvantage students could experience because of distance from major population centres. I do not consider Parkes or Forbes to be major population centres. This is why we offer so many extra opportunities at this school because I believe it is this school's role to provide your children with a life ticket. This ticket when earned has amazing power because it allows young people to have the attitude to achieve their best and contribute to this great country. Next year each teacher has been allocated an additional \$1000 in their budgets for innovative projects that reduce the city country divide. In short, provide opportunities beyond the classroom. I realise I could have just moved the sign a few hundred metres towards Sydney and it would have been cheaper.

Last week the strength and value of this great

country was reinforced. On Thursday, we received a visit from the managing director of *Thread Together*, Greg Fisher. He delivered a Christmas present for every student in the school. An amazing act of generosity. Greg is an outstanding individual, born into privilege, made a fortune in business but fell on hard times because of drug addiction. Eventually Greg reached his low point and was jailed for corporate fraud and drug supply. If the story ended here, it would be a tragedy. However, upon release Greg has gone about trying to repay the world through founding and managing organisations such as *Thread Together*. This group supplies new clothing to families in communities such as Trundle. Greg's hard work helps over 100,000 people annually in Australia. Considering nearly 2 million people in Australia live below the poverty line, a national disgrace, Greg's work has just begun. Greg has kindly agreed to send copies of his life story for our library.

Greg's story I believe is inspirational because it proves to me that people can change their world through positive choices and taking responsibility for their own actions. The Australian, blame-culture allows people to look to individuals or events for justification for poor choices. If Greg embraced the blame-culture, I am sure he could have found or manufactured a reason for his actions and continued his spiral into the gutter. However, he did not. He said, time to make a difference! Greg also landed on Trundle International airport one day after getting his pilots licence. I told him I had to remove a mob of roos from the runway before he landed. I think at first he thought I was joking.

In the same plane was Luke Power. Luke is a highly successful young man who is currently the producer of RAGE on ABC television. Luke also has an association with the ABC coverage of the New Year's Eve fireworks. He filmed our primary students and the *School to Work* students to appear on the coverage. This will only be for a few seconds but considering this coverage is viewed around the world a few seconds of fame for Trundle is better than none at all.

On Friday we had a visit from people from Oakville Preschool, Oakville Public School and members of the Pitt Town community Sydney.

Through their generosity, each family at our school will be receiving a Christmas hamper. These are tailored to family needs and vary in size. This week each of our families will receive the hamper and a Christmas card from Trundle Central School containing a gift voucher. This again is to make Christmas just a little bit easier for our families. This is a great country and the attitude of people such as Greg, Luke and the people from the preschool, public school, Pitt Town Community and many, many others confirms this.

Also on Friday a wonderful local person dropped in an envelope containing \$500 to be used to help students from financially disadvantaged families attend excursions. Trundle has its share of human potholes but also many wonderful generous people such as this person.

Trundle is a great place to live and work. Sometimes the attitude and opinions of the vocal minority, I believe is given too much credibility. For example, it has come to my attention that some people are saying the drought support from the school has not gone to those who need it. I do not believe I should have to justify anything because without our effort the amount of assistance to families would have been NOTHING. Yes! NOTHING. Instead our families and others have benefitted. The school does not make a judgement if someone is more in need than someone else, all families have received the same where possible. The latest help is a gift voucher for \$50 supplied by the school for all families. At times only farming families have received the drought assistance packages because the people and organisations have said this support is for farming families or those families who live on farms. Wow, I have actually followed what the people donating have wanted. The money placed in businesses is only for farming families because that is what people who donated wanted, however helping our business community survive benefits all. The businesses selected were those who are most depended on the farming community or those selected by our farmers.

When any organisation has contacted me, I have stated that the town also has a small Catholic School when asked. If they choose to share that is their option but I refuse to not accept a donation

because I am the Principal of Trundle Central School and as such, I have a duty of care to those families who have chosen our school. Where possible we always invite St Patricks to share when we have opportunities such as the dental van. Promoting the Central School and wanting the best for the students in my school should not be seen, I believe, as denigrating another. It is my job to run the best school possible and promote public education.

I am sure the management of St Patrick's still have the same attitude of cooperation for the benefit of children and there has not been an unfortunate change because this does not help either school or the town. I have in the past made no secret of the fact that I was disappointed that the Swedish Ambassador did not visit both schools whilst in town because we are the major education provider in the town, but I realise this was a decision made by the ABBA organising committee not St Patricks. I am sure both schools working together is the model Mrs Cleal and I want and the current ridiculous commentary from people who do not or should not speak for our two schools, is an unfortunate situation beyond both schools control.

Miss Toni Fitzsimmons for personal reasons has decided not to return in 2019 and is currently on leave until the end of the year. Miss Ashley Waterford will join us next year. Miss Waterford is a gifted teacher who completed her final practice teaching at our school last year.

8 days of school to go. Depressing really

John Southon

Ajax's Weekly Woof

AJAX Woof Woof awards:

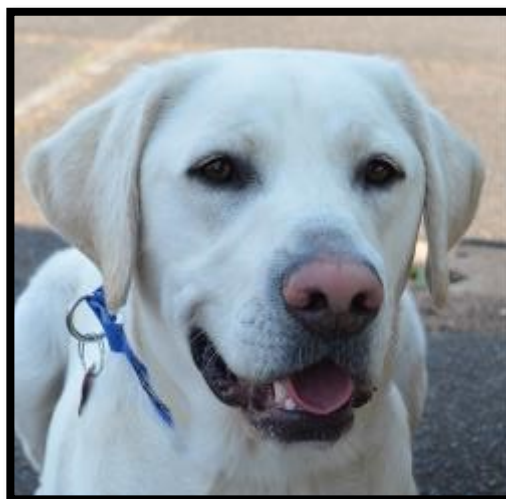

Four big woofs go out to primary, you guys rock. I really enjoyed coming back up to school for a little visit last week. I will be back next year full time with the most expensive pair of legs in Australia. Maybe some of those super models could beat me but mine are pretty good.

Four big happy woofs to all the people who have donated either money or goods to the school to help out our families. Southo keeps saying never write off an Australian. He obviously hasn't been watching the cricket.

Five big happy barks to Amy Mallard for doing work experience for the second time. I hear that your employer is very happy with your work. Southo said you will have so much money in years to come you would be a good bite. Dogs get in trouble for that, life is so confusing.

Five big woofs to Abby Last. You always are the first to offer to help and can be relied upon always to tell the truth even when others feel the need to tell little fibs.

Christmas is a very exciting time for most families. However, even a Labrador understands that for a few children Christmas is a very disappointing time as they are away from one of their parents. Year on year off works well in most separated families but it still is hard not to see your father or mother on Christmas day. Just because they are not in the same house does not mean they do not love you with all their heart. They do.

**Bark with laughter with
Ajax:**

**What happens when it rains
cats and dogs?**

You can step in a poodle!

Q: What time is it when ten dogs chase a cat?

A: Ten After One

Q: What's a dog favorite hobby?

A: Collecting fleas!

Q: Why did the dog cross the road twice?

A: He was trying to fetch a boomerang!

I asked my dog what's that thing on top of the house?

And the he said "Roof Roof".

Until next week, Ajax

Primary

Students of the week

Kindergarten - Austin Kirk

Upcoming Events

Event	Date	Students Involved
Mufti day	Tuesday 11 th December	Whole School
Farewell Year 6 Social	Thursday 13 th December	K-2 – 5:30 – 6:30pm 3-6 – 6:30 – 8:00pm
K-6 Christmas Party at the pool	Friday 14 th December	All K-6
Farewell Year 6 Assembly	Friday 14 th December	All K-6

Sun Safe Policy

This term is a **No Hat No Play** term. Students **MUST** wear a wide brimmed hat. This means that if they do not have a hat, they cannot participate in any outdoor activities including lunch time play. We keep a small selection of spare hats for those students who accidentally forget their hats. These hats are washed regularly but are not to be used every day by the same students. We will endeavour to call parents to let them know their child has forgotten their hat so that it can be found. Please make sure you put your child's name inside their hat.

MUFTI – Tuesday 11th December

The students are able to wear Mufti on Tuesday 11th December. **This is to ensure their uniform is ready for Presentation Night.** The students must remember to have their shoulders covered and wear closed in toed shoes.

K-6 Christmas Party

K-6 will be going to the pool for our Christmas party this Friday. The students will be provided with lunch consisting of a sausage sandwich, drink and ice block. They will participate in pool games during the afternoon. Please ensure your children have swimmers, a towel, sunscreen, a swim shirt. Students must bring swimmers even if the temperature is cool in the morning.

If you are picking up your child/ren from the pool, please make sure you are outside the pool gates at 3:00pm. Students are required to get changed at the end of sport, a roll will be marked and your child/ren will then be able to leave.

If your child/ren catches a bus, the buses will be picking students up from the pool.

Kindergarten

Please return all homework bags and library books this week.

Year 6 Farewell ASSEMBLY

Please attend our Farewell Year 6 Assembly next **Friday 14th December at 11:45am in the library**. This will be our final assembly for the year. We look forward to seeing you all there!

Farewell Year 6 Social

When: Thursday 13th December

Where: Room 12 – Trundle Central School

Time: K-2 – 5:30 – 6:30pm

3-6 – 6:30pm – 8:00pm

Cost: K-2 - \$1

3-6 - \$2

Big Buddies

Christmas Lunch in the Park

On Monday 10th December, Year 6 and Kindergarten will be **going to the park for Christmas games and lunch**. Lunch will be provided. Please bring fruit break and recess for that day as normal.

Thank you Ms Downes & Mrs Budd

TRUNDLE CENTRAL SCHOOL

Croft St, Trundle NSW 2875

A school that provides a professional, stimulating and challenging learning environment

Amended:12/6/15

SOCIAL/MOVIE NIGHTS POLICY

Social/movie nights are held at various times throughout the year to provide supervised social interaction to students of the school. Attendance at school social/movie nights is a privilege which is dependent on acceptable behaviour and cooperation from students, along with staff volunteering to supervise.

The following matters are relevant to the holding of social/movie nights at Trundle Central School.

1. Secondary social/movie nights will be organised by the Stage 5 Co-ordinator while Primary social/movie nights will be organised by the Assistant Principal. Attendance by staff at social/movie nights is voluntary. However, it is a requirement that at least 2 teachers indicate that they will be at the social/movie night before a social/movie night can be held.
2. Permission to attend social/movie nights will be granted if the student is on level 3 (secondary) level B or above as per the welfare policy. Primary students may not be granted permission to attend a social/movie night if they have been suspended prior to a social/movie night.
3. Parents / carers are welcome at all social/movie nights.
4. Notification of each social/movie night will be included on the Newsletter prior to the social/movie night being held. This will include the finishing time of each social/movie night.
5. It is expected that students will adhere to normal school standards of behaviour consistent with Trundle Central School's K-12 Welfare and Discipline Policy and Anti-bullying policy.
6. Tobacco, items that can be used as weapons and all forms of alcohol and other drugs are strictly forbidden at social/movie nights. Students found in possession of weapons or illegal drugs will be reported to police.
7. Social/movie nights will be restricted to students attending Trundle Central School.
8. In general, Secondary social/movie nights shall run from 7.30 – 10.30pm in Summer and 7.00 – 10.00pm in Winter. In general, Primary social/movie nights will start at 7.00pm and end at 9.00pm in Summer and 6.30pm – 8.30pm in Winter. Infants' social/movie nights run from 6.00 – 7.00pm in Summer and 5.30 – 6.30pm in Winter. K-6 students must be picked up from the social/movie night by a parent/carer. Students are expected to remain at the social/movie night until the conclusion of the social/movie night. If children need to leave the social/movie night early, an explanatory note from a parent / carer should be given to the teacher organising the social/movie night at school on the day of the social/movie night.
9. Students who do not attend school on the day of the social/movie night should not attend the social/movie night. School absences should be consistent with DET acceptable reasons and students who are away sick should not attend social/movie nights on that night.
10. Students who arrive later than 15 minutes after the social/movie night begins will not be admitted unless the teacher in charge has been notified prior to the social/movie night or the student brings a note from parents. Parents / carers of students not admitted will be phoned immediately before students are sent home. Students will remain under supervision if parents / carers can not be contacted.
11. Students from Trundle Central School who attend social/movie nights at other venues or schools must comply with the above directions where applicable as well as those at that pertain to the venue being visited.
12. This policy will be published in the school newsletter with the social/movie night notification.

Secondary

Our students are working consistently towards the end of the year. Their reports will be sent out shortly. Reports need to be taken as both a description of what your child has been doing this year and their level of achievement. I feel that for our students in Years 7-11 the most important part of the report is how they can improve in their studies. This part of the report should be discussed with your child and how you can implement these changes for better results in the future.

Our weeks do not seem to be getting any less busy as we approach the holidays.

Today our 7-10 boys will be taking part in the *Rage Program*. We have split the students into 2 groups so each student will have more individual attention and their voices will be heard.

Tuesday our Super 8's cricket teams travel to Dubbo with Mr Ridges and Mrs Morgan for the finals of that competition. Good luck teams and thank you teachers for your organisation and supervision of the day.

Tuesday night we have our annual presentation evening at the Memorial Hall. This night is a celebration of excellence for the students both academically, sporting and socially. I have spoken to the students about the importance of this evening and we look forward to this occasion of recognition of these students with our wider local community.

Wednesday our Mathematic staff will be taking some students to hear Mr Eddie Woo talk at Yeoval Central School. I am particularly excited about this visit and am looking forward to hearing Mr Woo speak about mathematics and its application to life.

On Thursday we have our Whole School Assembly. This is an opportunity of recognising a greater number of students for their achievements in more specific subjects and areas. As well as this we also have Gold awards to present to those students who have achieved the highest possible level of our Secondary Welfare System.

Following this our students will be involved in activities organised by the SRC. This gives us an opportunity to once again thank the students of the SRC as well as our teacher members of the SRC Mrs Budd and Mr Burley.

Friday our students who have qualified will be attending this semester's Reward Trip. Congratulations to all of the students who have qualified for this. It is a deserved opportunity to recognise persistent and continual application to their studies and attitude towards their schooling. Thank you to Miss Rowlands for her continual organisation of our Students Welfare System in her role as Student Advisor and thank you to Mr Ridges for his supervision and transportation role in this excursion.

As always please contact me at school for any queries in relation to Secondary matters.

Have a great week
Gerry Capell
Head Teacher Secondary Studies

Central Schools Cricket

Best wishes to our OPEN boys and girls cricket teams who will be participating in the State Central Schools competition in Dubbo on Tuesday.

Congratulations to the following students who have received the correct amount of pink slips to move to a higher level. All students start at **Level 3 each semester**. Each level has rewards with Level 6 being the highest.

Level 4 (15+ pink slips)	Year 8 – Stacey Year 9 – Anthony Year 10 – Shelby, Holly, Bobbie
Level 5 (30+ pink slips)	Year 7 – Raymi Year 8 – Aidan Year 12 – Brodi
Level 6 (75+ pink slips)	Year 7 – Grace, Casey, Aliethea, Ryan, Harrison, Xander, Alex, Cameron Year 8 - Isabel, Jennet, Will C, Lionel, Jamie, Will L, Jason, William Year 9 – Ashlee, Skye, Dylan, Jaxson, Hamish, Nicholas Year 10 - Ella, Emily, Amy, Monique, Ethan , Zac, Robert, Ryan Year 11 – Brooke, Harrison

Gobondery Cup

Last Wednesday 18 secondary students participated in the Gobondery Cup against Tullamore and Tottenham Central Schools. They played a round robin in diamond ball, army dodgeball and netball. This was followed by relays at the pool and a trivia back at school. The students are to be congratulated on their sportsmanship and behaviour on the day.

Miss Atkinson's Blurb - English HSIE Prac. Teacher

I firstly want to thank Trundle Central School Principal, Mr John Southon and Head of Secondary, Mr Gerry Capell for encouraging teaching students to do their University placements at their school and for the support they have offered me. Secondly, I want to thank my supervising teachers: Mrs Curtis, Mrs Goodsell and Mrs Rush as they have given me much support and guidance in classroom management and successful lesson planning. I have learned so much over the past four weeks. I also want to thank the staff, students and community for making we three students feel so welcomed. It has encouraged me to move out to a country area.

Year 7 & 8 History - My placement began with Years 7 & 8 *Shogun* history. We learned the difference between fact and opinion in popular culture regarding the ninjas. We made a ninja face mask using a shirt. We explored traditional food in Japan and tried some modern Japanese food and carbonated soft drinks. Most students did not like the food though they all liked the soft drink! It tasted like Australian soft drink, only better as it was the right amount of sweetness.

Year 7 English are doing film studies on *The Lorax*. While having a class discussion last Friday, a small debate ensued on the psychological effects on young people and animated films. This generated an interest to hold a debate and so research is currently underway to form a good argument. This is the wonderful aspect of English; it truly can be a subject that incorporates student interest.

Year 8 English are learning Shakespeare's *Macbeth*. Mrs Curtis organised costumes from a party hire venue and so Miss Beer and myself have put them to good use. The students really enjoyed dressing up in *Macbeth* characters. We enacted the main scenes of *Macbeth* so that we could create a digital storybook. This book will be printed out and given to TCS stage 3 students. The book will be called: 'Not Quite Macbeth' and it will be a mixture of the *Macbeth* plot and other fairy-tales, not dissimilar to a fractured fairy-tale.

Stage 5 English has been exploring creative writing. We have been experimenting with different creative options to write stories and other narratives. *Plot Generator* was an interactive website where students placed text into a structured format and to spit out an interesting story! The students explored the five senses outside of the classroom; however, on that particular day, it was so windy that we struggled to smell or hear anything! Such is life! It was nice to take the classroom outside regardless.

Stage 5 Geography has been looking at mapwork over the past two weeks. We have been exploring topography and satellite imaging. Google Maps has been an excellent resource for further exploration. We ventured outside to see the differences in direction according to our mobile phone compasses and we worked out that they are all quite different. The experiment was to explore our own geocaching site but because of the inaccuracies we decided it had to be explored at another time, possibly after 2020 due to the GDA2020 update! (GDA = Geocentric Datum of Australia).

Our Macbeth stars

YEAR 7 BOOKS AND EQUIPMENT 2019

These books, folders and equipment can be purchased from the Trundle Newsagency.

ESSENTIAL: The following equipment is compulsory for all lessons. Ruler, 2 black / blue pens, red pen, pencil, eraser and coloured pencils, glue and homework diary, textas and scissors.

This equipment must be taken to all lessons.

Books	
Human Society and its Environment	
	2 x 192 page A4 book for class work (1 x History, 1 x Geography)
English	2 x approx 160 page A4 book for class work and homework/spelling 1 x 128 page A4 book for reading/writing log (no books with perforated pages) 1 x Display folder
Science	1 x 192 page A4 book for class work
Mathematics	1 x 192 page A4 grid book for class work 1 x Scientific Calculator : Casio fx-82 AU PLUS

It is strongly recommended that the parents purchase a calculator the same make and model as those used at school because of different ways of operating different calculators. Suitable calculators are available from the Trundle Newsagency.

MEDIA RELEASE

Trundle Library Open 24 hours, 7 Days a Week

Parkes Shire Council officially opened the first Australian public library to be accessible for members all hours of the day, all days of the week in Tullamore in September 2016.

Two years on Council has equipped a second library to make it available 24 hours a day, 7 days a week at Trundle. Trundle Library members are now able to borrow, return and use the library facilities at a time that suits them.

On Friday 7th December the new self-borrowing and 24 hour access arrangement will be officially celebrated.

Manager Cultural, Education & Library Services, Shellie Buckle, is thrilled to be able to offer this new service at Trundle.

"Opening Tullamore Library 24 hours a day 7 days a week for members proved so successful it was not a difficult decision to continue this service at Trundle Library. Parkes Shire Council and the Trundle & District Progress Association have supported this project enabling technology to be purchased and installed to offer the community access to the library when it suits them and their family schedules" said Shellie.

There is an easy to use computer setup where members can borrow out and return items themselves and a process in place where members can apply for a key to the front door. It is that simple.

Library Assistant Debbie Anderson is still on deck the usual hours, 3pm - 5pm Thursdays and 10am-1pm, 2pm-5pm Fridays. A notebook is available for members using the library outside these hours where they can ask questions, request reservations and leave comments. Debbie will follow up these questions and requests.

On Friday 7 December the community is invited to join library staff and Councillors for a 24 hour access celebration at 10.30am. Morning tea will be provided and demonstrations on how simple the new self-service is will be given.

Cricket report for the 8th Dec 2018

On Saturday, the Trundle Juniors travelled to Condobolin to take on the Colts. Unfortunately, the weather wasn't very pleasant with a hot wind blowing a gale. Trundle won the toss and elected to field and sent the Colts into bat to reach a score of 137.

Wicket takers for Trundle: Eric Fernando 2/13; Blair Macdonald 1/8; Noah Byrne 2/18; and Aliethea Stokes 1/14.

At the change of innings Trundle found it very difficult to gain runs against the opposition's skilled bowling. Unfortunately, Trundle lost 6 wickets in the first 10 overs, which in the end, led to a score of only 54 runs.

Run scorers for Trundle: Paddy Williams 18 not out; Eric Fernando 8; Noah Byrne 4; Erin Fernando 2; Jim Ramsey 2; and Blair Macdonald 1.

Catches for Trundle: Paddy Williams 1 and Noah Byrne

1. Feilding points for Trundle: Kayden 3; Blair 2; Paddy 1. Condobolin Pizza Award given to Kayden Charlton-Little. Trundle Food Store voucher (donated by Karlos Lindner) Blair Macdonald.

Whilst in wicket keeper, Paddy Williams was hit by one of Eric's faster bowls which injury resulted in him being unable to run. Great job to Kayden for being Paddy's runner on the day!

Next Saturday Trundle will host Condobolin Gilgais at Berriman Oval 8.15am.

11 West St

\$95,000

Looking for a Home or Project?

This property could be either or both!

This solid 2 bedroom home could really do with a make-over, but the potential is there for a charming and comfortable home.

Located in a central but quiet position, the house comes with a large fenced yard and back lane access.

Just a short walk to all town amenities.

Are you the one to bring this little hidden gem up to its full potential?

Contact us to arrange
an inspection!
