# Trundle Central School Newsletter

Term 1 Week 7

11th March 2019

**Best wishes  
Western Area  
Swimming Carnival  
competitors**

William Taylor, Monique and Brooke Morgan, Hamish and Thomas Sanderson will represent Trundle Central School at Dubbo on Thursday and Friday in the Central Schools relay as well as individual events. Good luck!

# Principal's Message

This week is incredibly busy, as per usual, in this outstanding Public school. Monday is Year 7 and 10 vaccinations, Life Education Van was postponed to Tuesday / Wednesday this week, Wednesday is also the Parkes Vet information session on coping with aggressive dogs, WSSA Swimming Dubbo Thursday, and on Friday is Western Area Swimming and primary cricket in Parkes.

This school operates many extra- curricular activities across both Primary and Secondary. These activities enhance the curriculum and reduce any possible disadvantage distance from a major population centre can create. In addition, Literacy and Numeracy are not only learnt in the classroom but through experiencing a variety of activities. This is especially important for children who are Kinesthetic learners, hands-on experiential learners.

This school is acutely aware that many of our families struggle financially. This year the school is capping the price of the school bus to a maximum of \$20 per student. This is for a trial period of two terms so we can gauge the projected cost of this move. Our school bus is essential to maintain the curriculum, and this may come as a surprise, but there are experiences outside Trundle that enrich students' educational and social perspective. The problem occurs when there are too many students for a car but not enough for a full bus. These trips with half a load operate at a significant loss at a \$20 capped price. Maybe State Rail could endorse our business model.

The provision of education spread across all students cannot operate under a pure business model. Public schools need to find a way to allow students from low income families to experience the same opportunities as others. The public system is the balance against the elitism that is encouraged in the private system because the nation's wealth should be available for all.

A very generous donation of school shoes is on its way to Trundle. We will be offering these shoes at a reduced cost. The money will go into our drought relief account which is currently reducing the cost of excursions and other activities. The school has numerous items of clothing to give away. On the 5th April it will be on display, so residents can bring a bag

and help themselves. If people could find a gold coin to help the school, this would be appreciated.

Our new bus shelter has been finished. This shelter will allow us to sit primary students down for bus roll marking to improve the accuracy in all weathers. There are few more embarrassing moments for a staff member than a student missing the bus. Thankfully, I have in the past added one child onto a bus which must put me in credit pending an embarrassing mistake in the future. I am particularly pleased that our students could assist in the construction of this shelter, learning vital skills for the future. A particular skill they learnt is to adapt to the situation confronting them. The bus shelter arrived without some vital parts, such as instructions and legs to allow it to stand. Apart from that, it is a credit to Australian engineering.

Naturally, as a school, we provide an environment where students reach their maximum educational potential, culminating for most in the Higher School Certificate. However, one of my pet hates is, trade skills or manual labour in eyes of some, having less social status than university education. This does not mean that I want my plumber operating on my heart, if it is necessary, but in my opinion, all skills should be valued (some may say the plumber charges as much as the surgeon). Unfortunately in my career, I have seen students forced away from viable careers because of this misguided and I believe dangerous notion, that to achieve social status a tertiary education is necessary. Indeed, with some degrees, the employment opportunities are so poor, a graduate needs to master the phrase 'do you want fries with that'. Conversely, we are desperate for people to enter many trades. To my great shame now, in my teenage years, I found myself stating 'my father was just a truck driver'. Imagine if this country did not have all the 'just truck drivers', or 'just mechanics' or 'just gardeners', it JUST would not work.

For some people, the new bus shelter may not be the most critical piece of infrastructure needed in Trundle. However, the opportunity was presented, so we embraced it. I will never except or understand the culture in rural areas of accepting disadvantage. Why shouldn't our students be able to wait for a bus under shelter? Principals are not allowed to lobby politicians directly, however it may be a good time for residents of Trundle to be asking politicians, both federal and state, what they are going to do for the bush. Supporting your electorate is not nailing a poster to a tree but actually delivering services. Questions I suggest residents may want to ask could be differentiated taxation zones to encourage manufacturing and industry to country areas, stamp duty relief to construct housing in country towns, travel subsidies for older people to travel to

medical appointments, mobile pre-schools for schools such as ours or extra incentives for families to move from the city. These are questions people may want to ask, as it is your right in a democracy.

As many people are aware, the school has opened up our facilities to sporting and community organisations. This school has to be a focal point of our community. I will consider groups request to use facilities as long as people respect the school. Ten cameras have been installed around the school to help with this concept. Please do not ask to use workshops or kitchen as these areas are high risk. If someone wanted to run adult computer education course for example, I am very willing to consider this request. Opening up our facilities has highlighted the lack of seating that is available around our oval, that is actually a rectangle. Our school to work students will be constructing seating in the near future to improve the comfort of people waiting for their children to finish cricket. The only sport that often takes five days to determine that there is no winner.

Last week, I went to Sydney for a Central Schools Focus Group meeting. This group collates views and opinions of all central schools across the state, creating a united voice to collectively lobby governments. The central school model is most common in rural communities. The obvious advantage of the central school model is students' progress through their schooling from Kinder to Year 12. This allows the school to completely tailor and evolve an educational program across the whole of a child's schooling. One of the many pleasures as Trundle Central School Principal is to witness a student's personality and confidence evolve from Primary to High school. Jim Ramsay is a perfect example of a student who has developed personality and confidence. On Thursday last week, his donut was melted. Jim with a straight face said to his peers, 'this is the greatest disaster of mankind to date'. When I pointed out to him the Holocaust, Somme and the nuclear bombing of Japan, Jim replied with an equally straight face, 'maybe it is the greatest disaster at this moment'. Great stuff.

On Wednesday last week, we had a visit from a reporter from the Daily Telegraph newspaper. The Telegraph is interested in why despite the cost and this crippling drought, we (John Grady) have made such an effort to keep our lawns green and school looking so good. The answer has two parts. John still has the (unfortunately too rare at times) pride in his work. The other part is, in times of drought, I think it is vitally important for student mental health that something in the town remains green. There is mountains of research into the calming effects of colour and plants that are actually alive.

The school received help from the P&C to run self-defence classes for students in Years 5-10. These classes will help develop self confidence in students and hopefully they will improve their skills in de-escalating potentially violent situations.

On Wednesday last week, we received a donation of \$654 from the staff of Tweed Bowls Café, who gave away the tips for the year. This is a magnificent and greatly appreciated effort. This cheque together with our fund raising is \$70,000 in cash this school will be injecting into the local economy. This amount is not inclusive of the goods and services received by families through our drought fund raising over the last 12 months.

Our senior area, I believe, needs a redesign to increase the functionality. I want to remove the current desks and tables to move to design individual work stations, to improve student privacy and therefore concentration. We are currently asking for quotes to commence this work over the Easter break.

On Friday last week, I received a phone call from Chris Harris who is a journalist from Consolidated Press to congratulate us on the quality of our Newsletter. This was a surprising and unexpected comment from a journalist based in Sydney. He made particular reference to the Principal's Message for being honest and informative. This is encouraging because it is also the most complained about aspect of the school.

John Southon  
Principal

Completed bus shelter was used for the first time last Friday.

## Fundraising Ideas:

2019 AGM and General Monthly Meeting was held last Wednesday .

Thankyou to those parents that attended the meeting on Wednesday afternoon.

Our next monthly meeting will be held Wednesday 10th April at 3.30pm in the Library. Everyone welcome, come along and meet the committee and bring any fresh ideas for fundraising along as well. Children are welcome.

### The 2019 P&C Committee are as follows:

**President:** Mrs Rhonda Grady

**Vice President:** Mr Jono Sanderson

**Treasurer:** Mrs Lubka Prebendarcik

**Secretary:** Mrs Kelly-Lee Dunn

### **Fundraising officers:**

Mrs Jo Randall

**Publicity Officer:** Mrs Ann-Marie Taylor

Items discussed at the Monthly meeting were as follows:

### **Street Stalls**

3rd May and 30th August a roster will be placed in the newsletter. If you are unable to volunteer your time on the day...maybe you could bake some items, supply plant cuttings, or homemade jams that can be sold on the day instead

### **Trivia Night**

We can confirm that we will be hosting a Trivia Night on Saturday 22nd June at the Golf Club. More details to follow in the coming weeks

### **Winter School Jackets**

More information in next weeks newsletter

Thankyou

P&C Committee

### Calling for Feathers!!

Mrs Williams and Mrs Gray are asking for donations of feathers for students to use in their Waste to Art competition entry this year. We are looking for pretty feathers, peacock feathers, large white feathers.... just any interesting feathers you may want to send in for us! There will be a feather collecting box at the office!

Thank you.

# Ajax's Weekly Woof

## Woof Woof awards:

**5 happy woofs** to the students who braved the rain (2mm) to have their photo taken for the Sydney journalist on Wednesday. Apparently Ajax smelt like a wet dog. What did you expect me to smell like?

**4 happy woofs** to those students who are singing and dancing in the playground last week. Being happy should not be a crime. Maybe some of our teenagers could get off their phones for a minute and join in.

**5 happy woofs** to Jim Ramsay. The last time I witnessed Southo laugh so much was when he was told Manly could win the premiership.

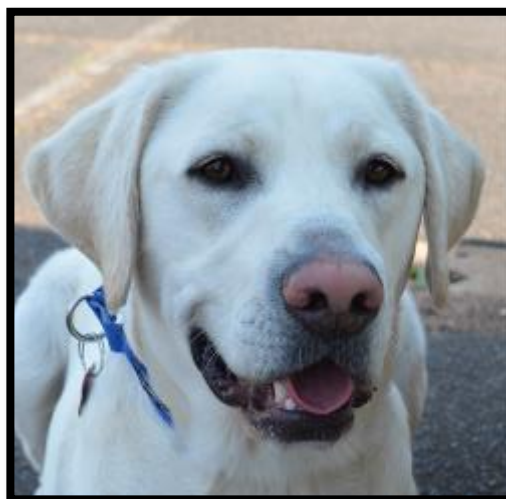

**15 happy woofs** to Brodie Gavin Rositer and Brooke Morgan. A teacher from another school rang Southo to congratulate you on your contributions and behaviour on VC. He said this is an example of two students spreading a positive school culture well beyond the physical boundaries of our school. He yells at me when I bark. Funny world.

**5 happy woofs** to those boys who built the bus shelter. The council contractors were very pleased with your efforts. You get many jobs by word of mouth so it is very positive.

**10 angry woofs** to the year 7 girls who are glued to their phones rather than talking to each other. Try it sometime. You did in primary.

Until next week, Ajax

**Bark with laughter with

## Sun Safe Policy

This term is a No Hat No Play term. Students MUST wear a wide brimmed hat. This means that if they do not have a hat, they cannot participate in any outdoor activities including lunch time play. We keep a small selection of spare hats for those students who accidentally forget their hats. These hats are washed regularly but are not to be used every day by the same students. We will endeavour to call parents to let them know their child has forgotten their hat so that it can be found. Please make sure you put your child's name inside their hat.

## Life Education Van

This Wednesday the Life Education van will be running sessions for our students. We are looking forward to these sessions.

## WSSA Swimming

Goodluck to Thomas Sanderson who will swim in the WSSA Swimming carnival this Thursday 14<sup>th</sup> March in the 8 years boys 50m freestyle event.

## PSSA Boys Cricket

We are entering a Boys Cricket team in the PSSA Boys Cricket competition again this year. We are combining with Tullamore and will be selecting a team of 12 boys ranging from years 3-6. Our first game will be against Parkes East Public School on Friday the 15<sup>th</sup> March.

Please return these permission notes to the front office as soon as possible. We wish the team the very best of luck in their first game.

## Swimming For Sport

This term we are reducing the size of our groups by sending one group to the pool at 1:00pm. This group will return to school at 2pm, have lunch and return to class for half an hour.

The second group will walk to the pool as per usual and can be picked up at 3pm at the pool.

Alternatively, if your child catches a bus home, they will be picked up at the pool.

Please check your child's note carefully. If your child is in the group from 1:00-2:00pm, it is preferable for your child to bring their lunch and suggested that they also bring extra recess. If your child is ordering their lunch, it would be preferable to order something cold rather than hot food as the lunch orders will be dropped off at 1:00pm and the students in the 1:00-2:00pm session will not be eating their lunch until 2:00pm.

## Premiers Reading Challenge 2019

The Premier's Reading Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely. The challenge is now open.

## Crunch and Sip

Children are encouraged to bring FRESH fruit or vegetables to school for Crunch and Sip. They are also able to have a sipper bottle of water in the classroom.

## Missing sports pants

A pair of primary girls sports pants were misplaced last Friday after swimming. If you find a spare pair in your child's bag, could you please send it to school?

## Swimming For Sport

This term we are reducing the size of our groups by sending one group to the pool at 1:00pm. This group will return to school at 2pm, have lunch and return to class for half an hour.

The second group will walk to the pool as per usual and can be picked up at 3pm at the pool. Alternatively, if your child catches a bus home, they will be picked up at the pool.

## Year 1/2 Homework

There will be no homework for Years One and Two this week.

### Joggers for P.E.

Mr Leonard will be working on cross country training over the next few weeks during P.E. sessions. If students would like to wear joggers for these sessions, students may bring them and change their shoes before their session.

Sessions are as follows:

5/6 – Monday

K/1/2 -Tuesday

3/4 - Wednesday

Our primary students are excited to learn new things every day.

# Secondary

Our last few weeks have been very settled and it has been exceptionally pleasing to see our students applying themselves to their academic studies. In particular I would like to commend our Year 11 students who are settling into their academic routine with video conferencing so well.

This week we have Year 7-10 vaccinations taking place today. On Wednesday our Year 11 Biology and Year 12 Mathematic students have face to face time with their teachers and co-hort in Yeoval It's an early start leaving from school at 7.30am. This to enable our Biology students time to complete their experiments.

On Friday we have several students competing in Western Area Swimming at Dubbo. Congratulations to Brooke Morgan, Monique Morgan, Hamish Sanderson and William Taylor on achieving such a high level and best wishes for the competition (I won't say good luck because your hard work has got you this far and you deserve the credit)!

As the term is progressing our students will start to receive assessments. We make sure that the students have plenty of time to complete the assessments. Students also have formal checkpoints so that teachers can make sure they are on track to complete their work. I also try and make sure that the students are not "flooded" with assessments at the same time. With all of this support their should not be a reason for students not completing their assessments on time. If your child is struggling with an assessment please support them in seeking support from their teachers at school.

Have a great week

### 11/12 School Leavers

#### Jersey Reminder

A reminder for Year 11 and 12 students to return their notes and pay their deposit if they would like to order a school leavers jersey.

Deposit needs to be paid by 20th March to ensure the jerseys arrive before winter.

Individual attention: Students in Year 11 are busy working in PASS with Mr Capell and Mrs Wykes.

### COMMUNITY UKULELE GROUP!

**Everyone welcome** to come and join in - learn the ukulele or cajon (sit-on box drum) and just have a good sing. Very beginners to seasoned professionals most welcome.

**WHO:** Anyone and any age up to 110. Children will need to be of an age or maturity to be able to sit still for the session and join in, and must be accompanied by an adult if under Year 4. Children will need to be collected at 5.30 pm sharp.

**HOW MUCH:** A gold coin donation towards the hospital auxiliary committee (buys equipment for our hospital).

**WHEN:** Wednesdays 4.30-5.30PM all Term 1.

**WHERE:** Music room, Room P21, in front of the basketball courts at Trundle Central School.

**WHAT TO BRING:** Ukulele and a folder for music.

Ukuleles can be purchased quite cheaply - around \$27.00. If you order from Landers Music in Orange, and ask for a Helen Gray discount, they will give you 10% off the price.

A good student brand is Mahalo, which is usually available through Landers.

**NEW BOOK CLUB** will come out on Tuesday!

Please return your book club order by the due date indicated on the pamphlet.

Remember, you can order books online, visiting the Scholastic website and choosing book club for parents and students.

## WEEK 7 NEWS !

This month the library is featuring books with a 'dragon' theme. We have quite a variety from picture books for our youngest readers, right through to very dense and exciting novels for our fluent readers. Come and see the display of books and choose an adventure that will take you 'out of this world'.

Our Library is buzzing at lunch time. The primary and secondary students had lots of fun dancing together using our Wii console!

**CHESS CLUB** meets in the Library everyday @ lunchtime ...

**Board Games** available in the Library everyday @ lunchtime ...

Don't forget: you can read a book anytime you want online with our eBooks and audio books – access 4,500 books on your electronic device at: <https://trundlecentral.wheelers.co/>

## Trundle Junior Cricket

On Saturday Trundle travelled to Condobolin to play the Colts in the last game of the season before the finals. Winning the toss, Trundle put the Colts into bat. Trundle took an early wicket but were unable to stop Riley Keen who scored a terrific 117 runs. In reply Trundle batted well, amassing 140 runs, our highest score this season, but still short of the 182 runs set by the Colts.

Runs for Trundle: Eric Fernando 47, Paddy Williams 40, Charlie Anderson 13, Sam Charlton 5, Erin Fernando, Kayden Charlton-Little, Blair MacDonald, Reuben Kelly all with 2 apiece and Aliethia Stokes with 1.

Wicket Takers for Trundle: Paddy Williams 2, Charlie Anderson and Eric Fernando with 1 each. Trundle also effected 3 run outs.

Catches for Trundle: Eric Fernando 1 and Paddy Williams 1

Points for Trundle: Eric Fernando 3, Kayden Charlton-Little 2 and Blair MacDonald 1

Condobolin Pizza Award: Eric Fernando

Trundle Food Store Voucher donated by Karlos: Paddy Williams.

Apologies to Paddy Williams with an incorrect run score in last week's report, correct runs being 17 not 7.

On Saturday we play the Colts at the Condobolin Soccer Fields in the Semi-Final. The winner goes through to the Grand Final, so an important training session this Thursday at 4.30.

#### **Service NSW is coming to Trundle**

Service NSW is pleased to announce that we are increasing access to NSW Government transactions and services in your area through a new offering, Mobile Service Centres.

Mobile Service Centres provide access to transactions and services that are available at Service NSW Service Centres. They are custom-fitted buses which will travel throughout NSW with dedicated Service NSW staff on board to provide support to our customers across a broad range of services including:

- Renewing a driver licence or vehicle registration
- Undertaking driver knowledge tests
- Applying for births, deaths and marriages certificates
- Undertaking eyesight tests for licence applications
- Taking part in a Cost of Living appointment for help accessing more than 40 government rebates and savings.

Mobile Service Centres will accept cashless payments by credit and debit card or cheque.

A Mobile Service Centre will be visiting Trundle in March. Please check the website for the latest information on service locations and opening hours at [service.nsw.gov.au/msc](http://service.nsw.gov.au/msc).

## What is playgroup?

Playgroup is about getting together with other parents, children, babies, caregivers and families to have positive parent/child interactions, share ideas, information and experiences in a casual environment that welcomes all community members.

## What we gain from attending playgroup

Children learn through play and other daily experiences.

Playgroup is a great environment for:

- Positive developmental growth
- Participation in new experiences
- Learning about the world around them
- Developing and increasing social skills & confidence
- Learning about sharing, co-operation and simple routines
- Interaction with other adults and children in a safe environment.

Through play, parent-child activities, caring and respectful relationships we help build a sense of belonging for our children.

Playgroup also provides the opportunity for parents and caregivers to have supported access to other services such as Early Intervention programs, Health and Education programs.
