Principal's Message

This week is another filled with activities and excitement for students. On Monday, a Parkes Police Youth Liaison Officer will talk to Years 5 to 10 about personal cyber safety and the law in relation to using electronic devices. Mobile phones seem to be as vital as oxygen to young people. Therefore, it is important that they understand that with each advancement in technology comes a new set of laws and societal expectations. On Tuesday, primary basketball clinics continue. On Wednesday, a Parkes Vet will be talking to primary school students about appropriate strategies when confronted by aggressive dogs. On Friday, Gobondery/NARRAF Cricket Gala Day. Also on Friday, Mr Greg Fisher will be delivering a plane load of donated school shoes.

Our students need to develop a high level of awareness of cyber safety because of rapidly advancing technology. Any person over 35 can remember the bag phone. A mobile phone with a battery that weighed about the same as a house brick. Revolutionary at the time, but a dinosaur when compared to modern devices.

The problem, I believe, with electronic communication is, it is reducing the ability to wait and be patient for a response. Also, the art of starting and maintaining a conversation is under threat. At times, I see students texting, snap chatting etc to peers who are a few metres away. Also, unfortunately they often use language and tone that they would not use face to face because of a misguided belief that the phone gives them some sort of immunity. However, mobile phones should not give any person immunity from manners or the conventions of conversation and the message sent is recorded for all time.

Before I employ any person at this school, I search them on the net. I believe this is due diligence because these people become the public face of this school and involved in the education of yours and my children. At times, I see activities,

comments or photos that reduce their suitability for employment. These could have been some time ago but are still in the public domain. Our students need to be aware of this.

Thankfully, our school does not have a major problem with cyber bullying. My policy on inappropriate cyber communication is simple. If it originates during school time, it is offensive, illegal or threatening, the school will take action but I will also report it to police because it is an offence. I cannot make my stance any clearer and encourage parents to report any inappropriate communication your children receive. However, if your child returns serve several times before the conversation becomes too hot for them it is hard to argue they are completely innocent. Indeed, I have a fridge magnet that states, ***if you think your child is always completely innocent you want to hope the barrister that defends them in the future convinces the judge they are as well.*** I think it is clear what this statement is saying.

Monitoring phone and net usage is difficult because the very nature of the teenage brain is to try and push the boundaries. However, it is simple in a way, if you own the power that charges the device, they are sleeping in your home, you set the agenda.

In NSW government schools, the Principal in consultation with the school community determines if students can have phones at school. Our current policy is that High School students are allowed to use phones during breaks but strictly not in class. As with most things, students are the masters of their own destiny. If the vast majority of students consistently adhere to this rule, no problem occurs. If I need to change the rule, I can 100% assure students that I will have no problem changing to a total ban on phones. At 52 years of age, I can assure parents and students that I really do not need the approval of teenagers or to be popular for my self concept. I will make decisions I believe are in the best interest of a positive learning environment.

Parkes Vet will talk to primary school students to educate them about aggressive dogs. In 52 years on this planet, I have not lived in a town with so many useless barking pan lickers. An unfortunate recent trend is, a few aggressive dogs allowed to roam the

the streets. Owning a dog is a personal choice, it should not however impact upon the social amenity of others. I have contacted the council, police and Trundle Progress Association to try and reduce what I believe is a problem for this town and the safety of our children. Education, as with most things is part of the solution so hopefully these talks will make the next group of pet owners more responsible. In fourth term this year, our school will also take part in the *Positive Pet Ownership* training module to further educate students that with the right to own pets also comes responsibility.

Few things shock me, but recently the minister sent me in to buy my daughter shoes. I was thinking \$50 for a good pair. That would have been true except for the word pair. It appears the era of royal commissions, maybe there should be one into children's clothes and shoes. I can buy a T-shirt for \$20, more material, and more stitching but a lower price than children's clothing. Throw on a label and the pixies are taking twice as much out of your wallet. I am sure our corporate friends in retail would not be making excessive profits so it must be a manufacturing problem. The school shoes are made possible through the organisation **Threads Together** and the generosity and vision of Mr Greg Fisher. Mr Fisher is a former corporate high flyer who now devotes his time and energy to reducing disadvantage in this country. These shoes will be available at heavily reduced prices or as a short term loan as part of our uniform pool. Remember, our school will be holding a clothes giveaway on the 5th April.

On Saturday, I showed Wayne Thomson, General Manager of Ruralaid, around our school. He was extremely pleased with our efforts to keep our school an oasis for children during this crippling drought. This organisation has agreed to undertake projects within our school. Ruralaid has changed their service model to include community projects as well as farm projects. I thank Mrs Hazel Walton for helping to make this a reality.

This project will involve a team of up to fifty people coming to Trundle for a week. It will be a significant boost to the local economy, because where possible, they use local suppliers and contractors. They will also run community events during their time here. I am very pleased that this is happening because as I have said many times

before, outside money has a significant economic multiplier effect. The help of Ruralaid also allows us to bring forward many projects that were too costly to complete in the short term.

Tzu Chi Australia is a Buddhist organisation with members all around Australia. They will be visiting our school on the 29th of March to inspect our school for projects that could help the whole community. I am very keen to establish irrigation for a community vegetable plot that will provide fresh vegetables to our school but also the excess donated to the community. I believe this school has the ability to help outside the classroom and we should be a focal point of the community due to limited other services within our town. To date, we have raised goods, services and money in excess of \$100 000 for our community.

I have made no secret of the fact that I believe the standard of early childhood education in our region needs to improve. This is not a criticism of individuals or organisations but a general belief that preschool students in the country deserve as good a service as those in metropolitan areas. I do not believe that is the case at this point and as an educational leader in this town, I will do everything in my power to obtain more for your children and mine. Many children do not attend pre-school or receive limited quality instruction by a trained early childhood teacher. The result is often a lack of core skills for learning when they enter school. Thankfully, this school operates an outstanding Kindergarten program and very quickly overcome deficits.

Being proactive to try and improve this school and the town in general exposes me to criticism and complaints. In short if you do nothing, you are not controversial but unfortunately you do not achieve as much as is possible. Status quo is a seventies rock band. It should not be a policy or mindset. This school is willing to try new things and not being afraid to fail, because even in failure you learn how to move forward in the future. If people want to find out information about the school direction and ethos, ask myself or a member of the executive, because teachers under the Code of Conduct are not allowed to make public comment. I am very happy to share my vision. This school needs to be as good or better than any other school in Australia.

Hatred, seems to have no geographical boundaries. The shooting of 49 people in a place of worship in New Zealand by an Australian citizen has allowed the evil hand of terrorism to tighten its grip on Australia. It saddens me that some low level thinkers believe this event is some sort of payback because of this ridiculous assumption that there is a greater link to terrorism amongst people who follow the Islamic faith. The IRA was planting bombs in London for decades so should we be more wary of Catholics? The notion is not even worth a thought process. 1.8 billion people around the world follow the Islamic faith, 229,000,000 in Indonesia alone. If they were not good people, there would be anarchy across the globe. When any person's life is taken by another, it is tragic but when a person's life is taken because of their faith, colour or race, it is particularly immoral. Access to social media platforms assisted this sick individual to recruit people into his brand of hatred. These multinational highly profitable companies need to take some responsibility for allowing a platform for hatred.

Recently, my son Anthony had a serious motorcycle accident, requiring helicopter transport to Orange. The Trundle community has been amazing in extending help and compassion to my family. I especially would like to thank Peter Kelly who cared for Anthony until he could be transported to hospital, the staff at Trundle and Orange Base Hospitals who gave him the best quality care and Tamilla Bolam who opened her home to Scarlett when we very much needed it. The helicopter service is a credit to this country, reducing the risk of living in the country as I believe we received quicker, better service through arriving as a trauma patient through the helicopter service.

These unfortunate events are life changing not only to the victim but the family because the reality hits of the possibility of losing a child. My normal thought process is, which one of my children will be wiping the dribble away from my mouth and spending the remainder of my superannuation in my old age, not the possibility of losing one of them. As parents, you ask questions; have I been too liberal with allowing motorcycles, hunting and other risk taking activities. What is the balance?

One thing the doctors have made very clear to my family is, without a properly fitting helmet, this accident could /would have been fatal. I encourage parents to insist that their children wear helmets even for a short ride. There is not enough cotton wool to completely risk free our children but there are ways to reduce risk. Please parents, do not simply hand down helmets to children but get them fitted. A poorly fitting helmet could cause additional damage so spend the money, it is a fraction of the cost of the bike but is often neglected.

Over the years, I have developed a strong dislike for McDonalds because of the sugar and salt content. However, for a whole week, my family lived at Ronald McDonald house in Orange. Without this facility, the stress level generated by this accident would have been much greater. Well done to the volunteers and Ronald McDonald house that helped in this difficult situation.

Still the happiest man in Trundle. If you believe that I have a bridge in Sydney to sell you.

John Southon
Principal

K-6 Basketball

This Tuesday, all primary students will be participating in Basketball clinic.

Please remember to wear joggers.

Trundle Central P & C News

The Trundle Central School P & C are adding a new Winter Jacket to the uniform.

The Walker Dry & Cosy Jacket

These Jackets are waterproof with a full polar fleece lining. They will also have the school logo on them.

Prices:

Sizes 4 to 16 - \$55.00

Sizes S to 3XL - \$60.00

To Order these jackets please complete the order form below and return to the School by the Friday 22nd March with exact money. These orders should have your jackets back in time for Term 2.

For all other orders you will need to go Bug Eye, or Contact Lisa Hartig on 0408 708 031.

Street Stall and Sausage Sizzle Fund Raiser

Friday 3rd May 2019

We will holding our first street stall for 2019. All money raised on this day will go back to the students of Trundle Central School. The money raised from P&C fundraising goes towards subsidising school excursions, purchasing equipment for the students and many other causes within Trundle Central School.

P&C are now asking any parents/caregiver/grandparents of students that attend Trundle Central School to either volunteer an hour on the day or provide baking of cakes/slices/muffins, homemade relishes/jams/pickles, plants.

If you find that you don't enjoy baking or volunteering your time on the stall, you could always donate items that could be used by the committee to help them with their baking i.e flour, sugar, milk, butter etc.... Just message us on Facebook to let us know this is what you would prefer to do.

6pm - 8.45pm

Chocolates
\$2

TCS Library - \$10 each

(includes dinner, drink & movie)

You must be on Level 3 to attend

Pyjama Theme

Ajax's Weekly Woof

Woof Woof awards:

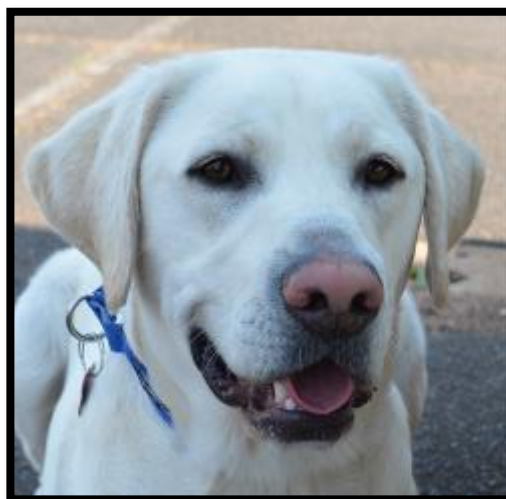

5 happy woofs to Tamilla, Hailey, Izack & MacKenzie Bolam for looking after me when the family were in Orange with a potential Crusty Demon. It was lovely to have someone who placed my food nicely into the bowl. I am back for the whole week this week so I am looking forward to seeing my friends. I cannot understand why I was left behind. However my stress level has been reduced by chewing the hose, shoes, anything plastic and something on a tyre.

5 happy woofs for the staff at Trundle Hospital. Southo said he has seen them too much since coming to Trundle. A bit nasty I would have thought.

5 happy woofs to the community service people. Andrew rang Southo on Friday night, praising their attitude and effort. Southo said those students are learning to contribute to a community and creating a moral contextual framework for a future life. Funny, he made me stay home with diarrhoea, sounds like verbal diarrhoea to me.

4 happy woofs to school to work students for building seating for the oval. This helps everyone whilst building your skills. Sitting must be good because Southo is always yelling sit down to the dog across the street.

15 happy woofs to Mr Grady for starting to lay the new turf around the multi-purpose court. This will make this area ready for the fitness trail. Another asset to the town public education is providing.

5 cranky barks for those people who when they walk through the school at night drop their bottles on the oval. There are eight motion activated cameras around the school. An 8 by 10 glossy photo will be published on the front page of the newsletter of repeated offenders.

Until next week, Ajax

**Bark with laughter with
Ajax:**

**Why did one student eat his
homework?**

*Because the teacher told him it
was a piece of cake.*

Primary

Students of the week

Kindergarten - MacKenzie Bolam

1/2 - Meila Jones

3/4 - Ryland Price

5/6 - Lucy Hartig

Mrs Sanderson- Sophie Glasson

Sportspersons - Dani Lowe, Cameron Strudwick

Sun Safe Policy

This term is a No Hat No Play term. Students MUST wear a wide brimmed hat. This means that if they do not have a hat, they cannot participate in any outdoor activities including lunch time play. We keep a small selection of spare hats for those students who accidentally forget their hats. These hats are washed regularly but are not to be used every day by the same students. We will endeavour to call parents to let them know their child has forgotten their hat so that it can be found. Please make sure you put your child's name inside their hat.

WSSA Swimming

Congratulations to Thomas Sanderson who swam in the WSSA Swimming carnival on Thursday 14th March in the 8 years boys 50m freestyle event. He placed 14th in the event. Well done, Thomas!

PSSA Boys Cricket

Congratulations to our amazing Tullamore (combination of Trundle and Tullamore) cricket team who played their first round match against Parkes East last Friday. It was a great game! All our students played exceptionally well. A full report will be in next week's newsletter.

Swimming For Sport

This week the two swimming groups will be combined due to the Gobondery/NARRAF Cricket Gala day in Peak Hill.

All students who will be at school on Friday will be walking to the pool at 2pm. If your child normally go on a bus, they will be picked up at the pool. Please call the front office if your normal afternoon arrangements have changed.

Gobondery/NARRAF Cricket Gala day – Peak Hill

This Friday will be our Gobondery/NARRAF Cricket Gala day in Peak Hill. Students need to bring their lunch, recess and plenty of drinks. There will be a canteen open so students are able to take a small amount of money to spend at lunchtime.

Dog Safety

This Wednesday the K-6 students will participate in a session run by a vet on dog safety. This will give the students the skills to safely deal with unknown and familiar dogs in our community.

Year 1/2 Excursion

Next Tuesday the Year 1/2 students will be participating in an excursion to Dubbo. They will be watching the Gruffalo and enjoying lunch in the park together. Please return all permission notes and money as soon as possible.

Social

Next Thursday there will be a primary social. Please read the attached socials policy.

Date: Thursday 28th March 2019

Location: Room 12 Trundle Central School

Times: K-2 – 5:30 – 6:30pm - \$1 entry

3-6 – 6:30 – 8:00pm - \$2 entry.

Supper (chips, lollies, drinks) will be available for purchase.

TRUNDLE CENTRAL SCHOOL

Croft St, Trundle NSW 2875

A school that provides a professional, stimulating and challenging learning environment

Amended:12/6/15

SOCIAL/MOVIE NIGHTS POLICY

Social/movie nights are held at various times throughout the year to provide supervised social interaction to students of the school. Attendance at school social/movie nights is a privilege which is dependent on acceptable behaviour and cooperation from students, along with staff volunteering to supervise.

The following matters are relevant to the holding of social/movie nights at Trundle Central School.

1. Secondary social/movie nights will be organised by the Stage 5 Co-ordinator while Primary social/movie nights will be organised by the Assistant Principal. Attendance by staff at social/movie nights is voluntary. However, it is a requirement that at least 2 teachers indicate that they will be at the social/movie night before a social/movie night can be held.
2. Permission to attend social/movie nights will be granted if the student is on level 3 (secondary) level B or above as per the welfare policy. Primary students may not be granted permission to attend a social/movie night if they have been suspended prior to a social/movie night.
3. Parents / carers are welcome at all social/movie nights.
4. Notification of each social/movie night will be included on the Newsletter prior to the social/movie night being held. This will include the finishing time of each social/movie night.
5. It is expected that students will adhere to normal school standards of behaviour consistent with Trundle Central School's K-12 Welfare and Discipline Policy and Anti-bullying policy.
6. Tobacco, items that can be used as weapons and all forms of alcohol and other drugs are strictly forbidden at social/movie nights. Students found in possession of weapons or illegal drugs will be reported to police.
7. Social/movie nights will be restricted to students attending Trundle Central School.
8. In general, Secondary social/movie nights shall run from 7.30 – 10.30pm in Summer and 7.00 – 10.00pm in Winter. In general, Primary social/movie nights will start at 7.00pm and end at 9.00pm in Summer and 6.30pm – 8.30pm in Winter. Infants' social/movie nights run from 6.00 – 7.00pm in Summer and 5.30 – 6.30pm in Winter. K-6 students must be picked up from the social/movie night by a parent/carer. Students are expected to remain at the social/movie night until the conclusion of the social/movie night. If children need to leave the social/movie night early, an explanatory note from a parent / carer should be given to the teacher organising the social/movie night at school on the day of the social/movie night.
9. Students who do not attend school on the day of the social/movie night should not attend the social/movie night. School absences should be consistent with DET acceptable reasons and students who are away sick should not attend social/movie nights on that night.
10. Students who arrive later than 15 minutes after the social/movie night begins will not be admitted unless the teacher in charge has been notified prior to the social/movie night or the student brings a note from parents. Parents / carers of students not admitted will be phoned immediately before students are sent home. Students will remain under supervision if parents / carers can not be contacted.
11. Students from Trundle Central School who attend social/movie nights at other venues or schools must comply with the above directions where applicable as well as those at that pertain to the venue being visited.
12. This policy will be published in the school newsletter with the social/movie night notification.

Secondary

Congratulations to the secondary students who participated in Western Area swimming on Friday. All I have heard is positive comments about your effort, sportsmanship and general fantastic demeanour!

Today our Year 7-10 students have a cyber-safety talk. As recently demonstrated from the "Momo" challenge the cyber safety is a huge concern for our current student and future generations. Many students think that because they can use Facebook/Instagram/YouTube that they are experts of the internet. There is a risk that people of all ages can fall for scams and hacks, lose money, or be psychologically injured. However, even ignoring the vast amount of advantages that the internet offers us, so much of our everyday life has migrated onto it forcing most people to use it daily. Because of this it is vital that our students are able to navigate it competently and successfully.

For more information on Cyber-Safety there is an article on the Western Access Facebook page.

Tuesday we will have the WAP students in Year 11 Construction at our school doing a practical day. One of the great advantages of Stage 6 at Trundle is the access to a wide variety of subjects including Vocational Education Training. Our students completing one of the VET subjects leaves school with a nationally recognised certificate in their chosen subject. Thanks to Miss Rowlands for her organisation and running of this day.

A reminder that as our term is progressing I am approving more assessments for our 7-10 students. Please keep an eye on the newsletter and support your students as the term progresses. We will keep the same format as 2018 and only have one set of formal school exams in Week 5 of Term 4. As always if there are any issues please contact me at school.

Have a great week
Gerry Capell
Head Teacher Secondary Studies

Western Area Swimming

Congratulations to our secondary swimmers who competed in the Western Area Swimming Carnival in Dubbo on Friday. They all swam very well and should be proud of their efforts and their results are as follows:

Monique 10th in 17-19 years 50m Freestyle and 11th in 100m freestyle

Hamish Sanderson 15th in both the 16 years 50m and 100m freestyle

William Taylor 19th in the 14 years 50m freestyle and 14th in the 100m freestyle

Aliethea Stokes 16th in the 50m freestyle .

The Relay team which consisted of Brooke, Monique, Hamish and William also swam exceptional well finishing in 4th place.

Welfare levels

Congratulations to the following students who have received the correct amount of pink slips to move to a higher level. All students start at **Level 3 each semester**. Each level has rewards with Level 6 being the highest.

Level 4 (15+ pink slips)	Year 7 – Blair, Jim, Brad, Kiera, Abby, Alecia Year 8 – N/A Year 9 – Noah, Jamie Year 10 – N/A
Level 5 (30+ pink slips)	Year 7 – Charlie, Maggie, Harry, Sam, Zac, Olie, Erin, Jason, Hannah, Paddy Year 8 – Ryan, Harrison, Grace, Xander, Casey, Alex, Aliethea, Cameron Year 9 – Will C, Jennet, Lionel, Jason, Will L, William Year 10 – Ashlee, Dylan, Hamish, Jaxson, Nick, Skye Year 11 – Ella, Emily, Monique, Ethan, Robert, Ryan Year 12 – Brooke, Harrison, Brodi
Level 6 (75+ pink slips)	

Secondary Sportspersons of the Week

Oliver Dunn, Alecia Zerafa, Dylan Martin

11/12 School Leavers Jersey Reminder

A reminder for Year 11 and 12 students to return their notes and pay their deposit if they would like to order a school leavers jersey. Deposit needs to be paid by 20th March to ensure the jerseys arrive before winter.

Paragliders from Wings Out West visited Trundle Central School last week and treated students to some paragliding tips. Jamie Haper (pictured) is trying the parachute.

Aliethea, Monique, Thomas, Brooke, William and Hamish at the WSSA Swimming Carnival in Dubbo.

WEEK 8

This week we are showcasing a book series for our readers who love to go on an adventure. This can be found in the Ranger's Apprentice and The Royal Ranger series by Australian author John Flanagan. Here's an outline of the novel's plot.

Will is small for his age, but agile and energetic. All his life, he has dreamed of becoming a great knight like the father he never knew, so he is devastated when he is rejected as an apprentice to Castle Redmont's Battleschool. Instead he is apprenticed to Halt, the mysterious Ranger whose uncanny ability to move unseen is thought to be the result of black magic. Reluctantly, Will learns to use a Ranger's secret weapons: a bow and arrow, a mottled cloak and a stubborn little pony. It may not be the sword and battle-horse he longs for, but when Will and Halt set out on a desperate mission to prevent the assassination of the King, Will finds that a Ranger's weapons are not so useless after all.

Did you know? The Royal Ranger is back and the stakes are higher than ever in the world of Ranger's Apprentice - Yes we have just put the newest Royal Ranger book on our shelves

Remember you can find your treasure in a book. Have a great Week 8.

Ms Rush and the fabulous Library team

Community

COMMUNITY UKULELE GROUP!

Everyone welcome to come and join in - learn the ukulele or cajon (sit-on box drum) and just have a good sing. Very beginners to seasoned professionals most welcome.

WHO: Anyone and any age up to 110. Children will need to be of an age or maturity to able to sit still for the session and join in, and must accompanied by an adult if under Year 4. Children will be need to be collected at 5.30 pm sharp.

HOW MUCH: A gold coin donation towards the hospital auxiliary committee (buys equipment for our hospital).

WHEN: Wednesdays 4.30-5.30PM all Term 1.

WHERE: Music room, Room P21, in front of the basketball courts at Trundle Central School.

WHAT TO BRING: Ukulele and a folder for music.

Ukuleles can be purchased quite cheaply - around \$27.00 if you order from Landers Music in Orange, and ask for a Helen Gray discount, they will give you 10% off the price.

A good student brand is Mahalo, which is usually available through Landers.

Enquiries and bookings to
Helen Gray

RELAXED, FUN, FRIENDLY
ENVIRONMENT**

GOLF IN TRUNDLE

Trundle Golf Club Meeting.

Thursday 4th April at 7.30pm after 9 hole social golf. Come along if you want golf to continue throughout 2019.

Social golf on every Thursday at 5pm - Men & Ladies.

Trundle Junior Cricket

On Saturday Trundle travelled to Condobolin to play the Colts in the Semi Final. The Colts won the toss and elected to bat. The Trundle side bowled well to restrict the Colts to 130 runs. When Trundle came in to bat, runs were hard to come by, with our juniors only able to compile 109 runs for the loss of 4 wickets.

Runs for Trundle: Noah Byrne 27, Eric Fernando 23, Paddy Williams 11, Kayden Charlton-Little, Sam Charlton, Blair MacDonald and Reuben Kelly with 3 apiece, Charlie Anderson 2, Erin Fernando and Oliver Dunn 1 each.

Wicket Takers for Trundle: Charlie Anderson, Aliethea Stokes, Blair MacDonald, Reuben Kelly, Oliver Dunn and Paddy Williams all with 1 apiece.

Catches for Trundle: Eric Fernando, Paddy Williams and Charlie Anderson all with 2 apiece.

Game Ball: Noah Byrne who played his final game as a Trundle junior. Good luck in the future Noah!

This Thursday we will hold our Trundle Presentations at Berryman Oval at 5:00pm with a BBQ. Please attend to mark a great end of the season for the Trundle Juniors.

Competition Presentation will be held following the Grand Final in Condobolin next Saturday. For BBQ and drinks at the Condobolin RSL, please RSVP to Digger or Libby if you are interested in attending.

Opening batsmen Noah Byrne and Charlie Anderson with captain Paddy Williams.

April 4th**

From Your Community Nurse ... welding safety ... 5

The use of oxygen and acetylene gas in the workshop carries with it some very high risks to the person doing the work and also to others in the workshop. To eliminate these risks, work requiring oxyacetylene cutting or welding may be done in town at an engineering works. If this is not practicable, an alternative cutting method may be employed such as the use of a power tool or hand too. If this substitution is not possible then below are some measures that can be used to control the risk.

Hazard & Risk

Using oxyacetylene for welding and cutting may result in burns to the skin from the flame, from hot metal or from steam when quenching hot objects.

The following should be provided for all individuals undertaking oxyacetylene work:- appropriate eye protection including goggles and/or face shield, fire retardant apron, heat resistant gloves, close fitting clothing and enclosed leather footwear. In addition to the above items, supervisors must be vigilant at all times.

Risk Controls

- Ensure clothing, gloves and hands are free from grease and oil.
- Handle hot metal with pliers or tongs.
- Light flame with a flint lighter or pilot light only, not matches or cigarette lighters.
- Take care when quenching hot items in water
- Mark hot items with a soapstone

Service NSW

Service NSW is coming to Trundle

Service NSW is pleased to announce that we are increasing access to NSW Government transactions and services in your area through a new offering, Mobile Service Centres.

Mobile Service Centres provide access to transactions and services that are available at Service NSW Service Centres. They are custom-fitted buses which will travel throughout NSW with dedicated Service NSW staff on board to provide support to our customers across a broad range of services including:

- Renewing a driver licence or vehicle registration
- Undertaking driver knowledge tests
- Applying for births, deaths and marriages certificates
- Undertaking eyesight tests for licence applications
- Taking part in a Cost of Living appointment for help accessing more than 40 government rebates and savings.

Mobile Service Centres will accept cashless payments by credit and debit card or cheque.

A Mobile Service Centre will be visiting Trundle in March. Please check the website for the latest information on service locations and opening hours at service.nsw.gov.au/msc.
