## SRC EASTER ACTIVITIES

This Thursday !

The Easter Egg Cannon makes a return!

Fun Easter SRC Activities organised by the SRC students will take place on Thursday afternoon for all students.

# Principal's Message

This week is the culmination of a very busy term. Monday is the 7/8 Dubbo Zoo excursion, 9 /10 Food and PASS excursion Tuesday, Year 11 Metals day at Trundle, Primary Scripture Service and Parent Teacher Interviews Wednesday. Thursday is our annual Cross Country and SRC Easter events. This week students are out of the school for different learning experiences, not available in Trundle. This school has to equip students to be global citizens as that is the world our children are living in. This involves students having the confidence to look beyond the 60km sign and embrace different challenges.

Parent teacher interviews are an opportunity to reinforce the partnership between the school and the home. They are not an opportunity to take cheap shots at teachers. In my 31 years' service with the Department of Education I have never had the time, or the energy to dislike, or 'pick on' a student. Parents becoming involved in that sort of low-level thinking and accusations is in my opinion a failure to force themselves and their children to take responsibility for their learning or behaviour, or form a partnership with the school. In short, placing all the blame onto a school or teacher and not looking in the mirror, where part of the problem can often be found, is extremely counter-productive.

Last week, I spent time in the primary section of the school. The teaching and learning occurring across the three classes can only be described as exceptional. Long term readers of the newsletter will know that when negatives occur in this school, I am very open and honest with the community, so if I say it is exceptional, that is what it actually is! We set the bar very high and give the students the skills, support and confidence to jump. Some students find this environment challenging at times, but soon understand the culture of the school and thrive. Others are empowered, often by the family, to be passengers

academically and socially and leave this school to seek a less socially and academically accountable environment.

Our school has been asked to deliver the Key Note speech at the Primary Deputy Principal's Conference in Sydney. Over 200 schools send delegates and numerous others attend virtually. Considering there are 2071 primary schools in NSW, our school being asked to deliver the key note speech is an achievement and enormous recognition of our school. The theme this year is Pastoral care and Leadership. We have also been asked to deliver a one-hour workshop of integrating pets as therapy into schools. Having pets in schools for students with anxiety related problems was considered a fad years ago when our first dog Ajax arrived, but now is very much mainstream because schools like ours lead the way.

Public education is a pillar of social justice and equality because it provides equal opportunity for all. Jennifer Robinson should be a hero to every young girl. She grew up in the small town of Berry and attended Bomaderry High School. Jennifer is now an international human rights lawyer working on high profile cases such as Julian Assange. The daughter of a small-town race horse trainer, the silver spoon did not wedge open doors for her, a quality public school education and hard work did! She is now giving back to public education as she understands the gifts it gave her to succeed. Ironically, her Year 7 English teacher told her not to aim high. You will only be disappointed. She is the sort of role model for young girls, not pop singers or sports people. She obviously survived the incredible emotional damage Dr Seuss books can cause to young minds and thankfully did not watch mind altering cartoons.

Our world seems obsessed with sanitising our culture. If we look hard enough we will always find something offensive. A Vegan can find linking lamb to being a true Aussie in advertising offensive. As an aging bald man, I find advertising shampoo offensive, especially when one bottle is a year's supply for some. I hope in the rush to find offense with everything in our society does not lose sight of the big picture. I find children living in abusive families and the lack of support services offensive, I find the growing disparity in opportunity

between the city and the country offensive and our almost cultural acceptance of domestic violence. Maybe I am just out of touch and been influenced by Dr Seuss.

students and hopefully a few more after Easter.

John Southon  
Principal

The media is very good at highlighting the negatives that occur in public schools. Chris Harris from the Telegraph who I know personally and seems a fine person, wrote an article about an increase in violence in public schools. He is unfortunately a puppet of a media industry that sensationalises issues to sell print and air time. The article did not mention better reporting systems increasing the statistics and increased transparency in public schools or the majority of knives taken to school are for children cutting fruit, but they are still reported as weapons. Private or religious based schools do not report to the same extent as public so they have a very big carpet where they can hide their issues and challenges. Always remember that when reading about public education.

The Trundle Progress Association does amazing work and has a definite passion for the community. They are asking for letters of support for an outdoor gym in Berryman Park. I think this is a wonderful idea and will be a community asset. The template and address for letters is in this newsletter.

Have a great Easter break and I look forward to all

# Nugget's Golden Nuggets

20 gold nuggets to our new fence. It is wonderful that our school does not need a security fence around it and does not look like a Jail. Well done to the Trundle community.

50 gold nuggets to everyone in our school for a good term. As Southo always says, a good Term 1 is only the building blocks for an even better Term 2.

20 gold nuggets to Trundle Progress Association for the outdoor gym idea. Any new facility for physical fitness has to be a good thing.

20 gold nuggets for the people who keep their house neat and tidy and give a good impression of Trundle. People judge a town in the first few minutes and we need new people in town.

50 gold nuggets to the staff willing to take excursions and sport. This makes a good school and provides a variety of opportunity.

50 gold nuggets to Father Brian. A loyal servant to God and his community.

20 steaming nuggets to the Trundle elite who look down their noses at new families coming to town and judge. Every family deserves a fair go and no one owns opportunity.

## Easter Scripture Service

This Wednesday there will be an Easter scripture service for all students K-6. We would like to thank our scripture teachers for the fabulous sessions they provide for our students.

## Cricket Gala Day – Peak Hill

Last Friday students from years 3-6 had the opportunity to be involved in the Cricket Gala day held in Peak Hill. The weather was perfect for cricket, with the sun shining and no wind. All the students had a great day and were able to enjoy a day of friendly and competitive cricket game play.

This fun filled day was an opportunity for the students to experience team sports, meet students from other schools and have a great day out with their friends.

## Social

It was an extremely exciting evening for all the students who attended the social on Thursday. It was great to see so many students dancing the night away.

Thanks very much to Ms Downes, Miss Mayberry, Miss Maguire and Mr Burley for supervising.

## Parent/Teacher Interviews

The teachers are looking forward to meeting with all parents this Wednesday 31<sup>st</sup> March for parent/teacher interviews. This is a fabulous opportunity for parents to discuss their child's progress with their classroom teachers.

## The Academy of Music and Performing Arts Workshop

Last Thursday, Scarlett Southon participated in dance workshops in Sydney. She worked with teachers from The Academy of Music and Performing Arts to develop skills in technique and performance. This opportunity was offered to all Department of Education school students from years 3-6 from around the state and Scarlett was lucky enough to be one of the 40 students chosen.

# Secondary

Welcome to the last week of a very satisfyingly full term!

Keeping in the same style of student enrichment and activities, our last week is not any different. Today Year 7&8 are visiting the zoo at Dubbo. This activity is extending our Science program and the students' knowledge. Thanks to Mr Lynn and Miss Price for the organisation of this day.

Tomorrow it's Year 9&10's chance to explore the big wide world with a Food Technology and PASS excursion to Parkes. The students will be doing a number of activities to develop their understanding of how our electives are related to the real world. Thanks Miss Rowlands and Mr Flavel for the organisation of this excursion.

On Wednesday we have our Parent-Teacher evening. Please call the front office to make an appointment. I really look forward to seeing as many parents as possible on these evenings and it's nice to be able to hold a conversation on your child's progress that is not restricted by the length of a report comment, having to fit into so many words.

Thursday is shaping up to be a fun last day. In the morning is the Cross Country. I am very excited to see our students in action. Cross Country often seems to be the "lonely" sport with the students having to push themselves when there is no one else around or watching, which can be a pretty accurate analogy for life at times. Of course, I also need to add a 'go Mitchell' as well. Go Mitchell! In the afternoon our students will be having a fun afternoon organised by our awesome SRC. I am sure there may be some Easter eggs involved as well. Thanks Miss Price and Mr Burley for your organisation of this afternoon.

Friday is a student/teacher free day at school as well!

Have a great week and a safe and relaxing holiday.  
Mr Capell  
Head Teacher Secondary Studies

## 4Ts Sports Day

The 4Ts sports day that was to be held last Thursday has been postponed to later in Term 2. All students who had paid for the excursion will have their payment held for the rescheduled event.

## Secondary sportspeople of the week

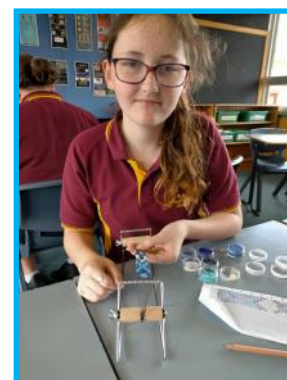

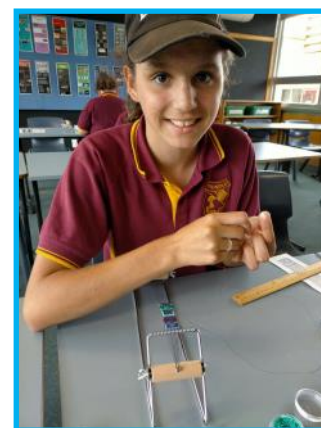

Jessica Morgan, Alice Bridger and Jake Callow

## Lifesaving Awards

All students who passed their Lifesaving have been given a note containing the amount required to pay if parents would like to purchase the award. It is not compulsory to buy the award but if you would like to payment is due to the front office by Wednesday 31<sup>st</sup> March.

## Across the Careers Advisers desk

### Is your child thinking about their career after school?

Figuring out your next steps after school can be both exciting and challenging.

The **SLIK**, or [School Leavers Information Kit](#) and the **School Leavers Information Service**, can help your child discover post school education, training or work options.

The SLIK is supported by an information [kit for you too](#) in case you need help to start the conversation.

You can also encourage your child to call the School Leavers Information Service (the Service) - a dedicated careers contact centre your child can call up and can ask any education, training or work-related question they may have. A trained NCI Information Officer will help your child:

- navigate the SLIK
- access and use the [yourcareer.gov.au](http://yourcareer.gov.au) website find relevant support services, if needed.

You can also call the Service together with your child, and where needed, your child can also access a free, 45 minute personalised careers guidance session with a qualified career practitioner.

Your child can get in touch with the Service three ways :

- Call: 1800 CAREER (1800 227 337)
  - Text: SLIS2021 to 0429 009 435
- Email: [schoolleavers.nci@dese.gov.au](mailto:schoolleavers.nci@dese.gov.au)

And if you are looking for something fun to send your kids to inspire them to discover their next steps, flick them the link to this video which explains it all: <https://publish.viostream.com/player/iframe/o99eudddg9i73>

### Trundle Back in Time Vintage Rally and Tractor Pull 2021

Friday 19 March, the ground was groomed, adorned with banners, and bunting ready for the Trundle Pastoral and Agricultural Society to greet over 900 entrants, visitors, spectators, and stallholders. Tractor enthusiasts from all over the state and interstate travelled to the event, joining vintage car enthusiasts and stationary engine fanatics for a fabulous weekend.

The Trundle Back in Time Vintage Rally and Tractor Pull for 2021 was a resounding success; there were 77 competing tractors this year, add on the static displays and there was well over 100 tractors on the ground.

The rain gods smiled on the event, with a dust settling shower on Saturday night and the next showers as the last three competing tractors finished on the track.

The event, the third such one since it began in 2017, featured the 75th anniversary of the iconic E27N Fordson Tractor with Ken Whitby from Laurieton taking out the trophy and becoming unofficial Australian champion with the Strongest E27N Fordson Tractor on the ground.

The Committee thanks all those who attended, the volunteers, the sponsors and visitors and are already looking forward to next event in 2023.

## Youth Week Banner Making Workshops

Parkes Library is pleased to announce three banner making workshops with local artist Deb Jones. Back by popular demand after the Arts Revival Festival 2020, these workshops focus on the process and design of banners made from recycled vinyl signs. Deb's fun and relaxed style, coupled with her knowledge and experience make these workshops an experience not to be missed. Participants are required to wear old clothes, covered shoes, and come with a 'can do' attitude! You will be able to take your banners home, or opt to have them displayed in each town for a couple of weeks after the workshops have finished, to celebrate Waste 2 Art 2021.

PARKES SHIRE COUNCIL

## Youth Week Illustration Workshops

Parkes Library is pleased to announce three illustration workshops with local author/illustrator Mr Alan Robinson. Alan was born and raised in south-west NSW, part of a farming family. His first-hand experience of life on the land is a strong influence on his writing and illustration. He and wife Sharyn reside in Orange NSW. Alan is the author and illustrator of the popular children's series titled "Grandpa's Farm".

Mr Robinson will be delivering a seminar about how to approach illustration for a picture book, and the importance of expression to bring your characters to life. There will then be a practical component where the students will have the opportunity to work on some illustrations of their own.

## MEDIA RELEASE

### START YOUR ADVENTURE IN PARKES THIS EASTER

Parkes Shire Council is launching a new tourism campaign in time for Easter and the upcoming School Holidays to drive visitation to the region and maximise patronage to local businesses throughout our townships.

The campaign call to action is 'start your adventure in Parkes' building on the appeal of the regions key tourism experiences that offer safe, affordable and memorable holiday experiences all within a 100 miles drive of Parkes.

Parkes Shire Mayor Cr Ken Keith OAM said, "the Easter Adventure Campaign invites visitors on a scavenger hunt across our region to discover the many incredible local attractions we have to offer."

"The excitement of the challenge is further heightened by the incentive to be in with a chance to win \$1000 in Parkes shopping dollars by collecting all 10 QR codes from the identified locations on the map."

"From listening to the sounds of universe at 'The Dish' to rocking back in time at the Henry Parkes Centre museums or wandering the awe-inspiring Peak Hill Gold Mine and public art trail across the Shire, there is something to keep the whole family entertained this Easter."

"There are also many iconic experiences available within an hour's drive from Parkes Shire including the Wellington Caves, Cowra's Japanese Gardens and Dubbo's Taronga Western Plains Zoo," Cr Keith said.

"The Easter Adventure Campaign will also appeals to the local market encouraging our community to explore local attractions in Parkes and nearby townships and go in the draw to win some Shop Parkes dollars," Cr Keith added.

Whilst on a day trip or out and about visitors and locals are encouraged to support our local businesses by grabbing a coffee, having a meal at a local café or eatery and shopping at the local boutiques and shops.

We look forward to welcoming visitors as their start their adventure in Parkes this Easter.
