YR 12 BRONZE AWARDS: Aidan Kirk, Jennet Dorman and Hamish Sanderson.

SILVER AWARDS: Aidan Kirk, Aliethea Stokes, Cooper Holloway and Paddy Williams.

Principal's Message

What a week Week 10 was!

Congratulations to all the students who achieved awards at Presentation Assembly last Wednesday. It was a stunning display of students who have worked tirelessly in 2021 and a real pleasure to be able to present many of these awards. I would also like to pay tribute to all the students who are trying their best every day at our school.

Obviously, there is not an award for everyone, as this would diminish the value of our awards. However, the vast majority of our students need to be congratulated for the accomplishments they have achieved in class.

I would particularly like to congratulate our new School Captains for 2022, William Taylor and Harry Budd. This was without doubt the most hotly contested election for this position that I can remember, and I thank all of the students who nominated themselves for election. I look forward to exploring this role with William and Harry as they strive to improve our students' educational and social outcomes at school.

Last week we also had our final ceremonies for our Year 12 students. It was a real pleasure to have morning tea and distribute their portfolios in the presence of their families. This was followed up by the evening graduation dinner at the Golf Club catered by our local café, The Butchers Brew. It was a night of outstanding speeches, dinner and organisation and a wonderful completion of their Secondary schooling. Thanks for the excellent organisation Miss Rowlands. Good luck in your future Year 12.

Then it was Year 6's turn for a Farewell dinner and graduation from Primary. It was an absolute pleasure to join Year 5 and 6 for dinner at the Trundle Chinese. The students all looked so grown up and it was amazing to watch as our Primary students interacted as a social cohort of young

adolescence. A special thanks to Mr Sam Wu from Trundle Chinese who donated the meals for this evening. It was a particularly generous gesture and greatly appreciated.

The night continued with the Year 5&6's joining the rest of Primary for a social evening, dancing the night away at an outdoor disco. Thanks to Mrs Southon for her organisation of the dinner and thanks to all the staff who were involved in the rest of the evening. Good luck in Secondary, Year 6.

Today we have the SRC having an end of year lunch and our Better Buddies in Year 6 and Kindergarten having an end of year party. Thanks to all the staff who contribute to these roles for their efforts in 2021 and the organisation of these end of year events, and well done to the SRC and our Better Buddies for the work they have done this year.

This Wednesday, our Secondary teachers have organised activities and lunch for our students to celebrate their sterling effort in 2021. It continually amazes me that almost all of our students manage to achieve the highest level of our Welfare System and we look forward to all students joining in for this celebration of the great year they have all had. Reports were sent home last Wednesday. If there are any questions in regard to your child's report please contact the school.

This year we have three staff members leaving our school. Mrs Hawke, Mrs Randall and Miss Price. We will miss the contribution that these staff members have made to our school and wider school community and we wish them all the best in their future endeavours.

Normal programming and newsletters will resume with Mr Southon's return to Principal next year. Massive thanks to Mrs Leanne Budd for the amazing job she has done in stepping up to the Head Teacher Secondary Studies position. The Secondary department will miss her positive leadership style which would be impossible for me to emulate!

All of the wonderful staff at our school deserve to be congratulated on the outstanding work they have completed this year. In particular, Mrs Sanderson's leadership of Primary and Mrs Taylor's managing of the office and various support staff have been exemplary. Our school's stable management enables our entire school community to focus on our core business of education and student welfare to facilitate all of our students achieving successful outcomes.

Students will return to school on the 8th of February. Have a wonderful relaxing and safe holiday.

Gerry Capell
Principal [rel]

See you next year!

Primary

Welcome to the last week of school for 2021. For Year 6 it is the closing of one door and the opening of another. We wish them all the very best for Secondary in 2022. For all the other students, it is farewell for now and we can't wait to start another fantastic year in 2022.

Over the past week we have celebrated the students' achievements through formal presentation assemblies, farewell dinners, primary assemblies, disco's and Christmas parties. Thank you to the staff who organised and attended these events.

Thank you to the students for a fabulous Term 4 and even though interrupted, a great 2021. Over the past year the students have all grown individually and as a part of school community. All our students are kind, considerate, thoughtful and hardworking.

Thank you to all the parents for allowing us to teach your children, share new learning and create memories over the past year.

We look forward to 2022!

Year 6 Farewell Dinner and K-6 Outdoor Disco

Home Reading Awards – Year 3/4

Over the past year, the students in Year 3/4 have worked hard on their home reading! Last Friday, students who had achieved over 200 nights of reading, were awarded a book of their choosing! Congratulations to these students! **KEEP READING OVER THE HOLIDAYS!**

K-2 Homework

Can all homework folders and library books be returned this week. Thank you!

Year 5/6 Science

Year 5/6 have been looking at properties of materials, production processes and product design. They were given the design brief to create an egg holder for Dippy Eggs/Soldiers with the dimensions no larger than 15cm x 15cm. They then went about creating a design, transferring it to the digital world using a 3D printing program. With the help of Mr Lynn, these were then 3D printed and the students will now evaluate their products and see how they can be improved.

Thank you to the Wu family for your kind donation!

Last Thursday evening the Year 5/6 students were lucky enough to be a part of a Year 6 Farewell dinner at the Chinese Restaurant! What an evening it was! The students thoroughly enjoyed a delicious meal with their friends.

The Wu family were extremely generous, allowing our students to enjoy their meal without payment. This act of kindness shows how lucky we are in Trundle, how the community work together and support our fabulous students and school. A huge thank you goes to the Wu family for their generosity.

The money paid by the students for this event will be used as fees in advance for 2022.

Year 6 Farewell Assembly

Secondary

Last week I felt so honoured to attend the Year 12 Morning Tea and Graduation Dinner. This event highlighted the deep bond that the teachers at Trundle Central School have with our students and families. Each speech and letter of commendation were extremely personalised and spoke to the students' individual quirks, strengths and achievements over their school years. A huge thanks to Miss Rowlands for organising these events and to all teachers, students and families for making it such a memorable occasion.

Another fantastic event was our Awards assembly. It was delightful to see students being recognised for their achievements throughout the year. Congratulations to all students who received awards for their efforts and achievements.

This Wednesday, secondary students will participate in an end of year Christmas party which will be a nice way to finish the term. Please see below for further information. Thanks again to Miss

Rowlands and Miss Price for organising another fun day for our students.

A huge thankyou goes out to all of our Secondary staff who have gone above and beyond this year. It is endearing to see the dedication each staff member has offered in order to provide all students with outstanding opportunities, and we thank you all for your effort and support. I would also like to thank the executive staff who have supported me greatly in the role of Head Teacher this term.

Finally, Year 10 and 11 students have been sent an email asking them to register for the 2022 Western Access Camp. Can all current year 10 and 11 students please complete these registrations with their guardians before the end of term.

I want to sincerely wish all students and their families a safe, relaxing, well deserved school holidays. Merry Christmas and a Happy New Year!!

Leanne Budd
Rel. Head Teacher Secondary Studies

Wednesday, 15th December

The celebration activities will be held during Period 3 and 4. Sport will be as normal. Big thanks to Miss Price and Miss Rowlands for organising this event.

Year 12 Morning Tea and Farewell Dinner

Work Experience—National Parks and Wildlife Services

During Week 9, I completed work experience as a Field Officer with the National Parks and Wildlife Services at Mt Kosciusko National Park.

Each day I was assigned to a new team. The duties varied depending on which team you worked with.

An overview of my week is as follows:

Monday—Waste Management Team

- Checking Sewage Plants and understanding how they work
- Garbage collection in Perisher and Charlottes' Pass in a 'one of a kind' garbage truck

Tuesday—Roads Team

- Observed roads being graded, reported damage to roads
- Seeing the destruction that was caused by the recent fires and how long it takes for the environment to recover

Wednesday—SOS Team

- Looking for endangered species, setting up grids and documenting how many species were in that area

Thursday—Trails Team

- Walked stage three of a tree-day hiking trail, stage three went from Perisher to Charlottes pass. It was a 12km hike that took 7 hours.
- Reported any mistakes that were made with construction and marking out the trails for future hikes
- Seeing amazing view of Thredbo Valley. (these trails are not yet accessible by the public).

Friday—Snowy River Association

- Worked at Schlink Pass alongside a builder. The builder works for the National Parks and restores the old drovers huts.
- Discovered the original trails which the drovers made to connect the huts to the trail which the drovers brought their cattle along.

Overall, It was a wonderful week, I was exposed to so many different job roles that are available within the National Parks. I have been asked to return in winter to experience what it is like to work as a Field Officer.

Secondary Welfare Levels

TERM 4	Week 11 level
Chloe	5c*
Josh	5c*
Lucy	5c*

WEEKLY WRAP

On Friday 10th December saw cold and cold conditions, with only about half braving the cooler weather to swim at this week's event. A shout out to those few parents/ caregivers/friends/family who helped out this week (we were thin on the ground) – without you swimming club could not run, so thank you!

THIS FRIDAY 17TH DECEMBER IS THE FINAL SWIMMING CLUB FOR 2021!

Our raffle will be drawn this Friday also – so if you haven't already get in this week and buy some tickets. All proceeds are going back into the club so your money is going back to the kids. Tickets are available at Trundle Pool, Trundle Foodstore, \$1 each or 3 tickets for \$5. Stay up to date with the latest by following us on Facebook:

Thanks,
Trundle

Trundle Amateur Swimming Club 2021/2022
Group - You and 9 others are members

Amateur Swimming Club Committee

WEEKLY WRAP (3.12.21)

Friday 3rd December saw sunny and hot conditions, even if it was rather humid... blessing us finally and seemed to entice many club swimmers to come down to the pool for a swim at this week's event. A shout out to all parents/ caregivers/friends/family who help out by time keeping – without you swimming club could not run, so thank you, thank you and thank you!

We would like to take a minute and send out **HUGE** congratulations to the top 5 point scorers for the last 2 swim meets - *drum roll please*... For the **19th November 2021**, the point score winners are:

Thomas Sanderson
Mackenzie Bolam
Narrella Thornton-McKellar
Alex Stevenson
Harry Quade

For the **3rd December 2021**, the point score winners are:

Christian Boyland
Reuben Kelly
Carmel Kelly
Xavier Gaut
Harry Budd

Scoring top points come from swimmers who improve on their own best times significantly (by more than 2 seconds) and/or by improving their best time in more than one event each week. So, continue to swim to your absolute best each week and who knows, you might see your name published!

A Reminder to those swimmers who have been regularly coming to Squad Training – this will be on again this Wednesday afternoon (8th Dec) from 4 - 5pm with Mr Burley encouraging swimmers to increase their endurance and race fitness in his session.

For anyone considering bringing their swimmers along, please be aware that the training session can be quite demanding, with most sessions requiring swimmers to complete something like 1400m (or 56 laps) worth of swimming almost continuously for an hour. The intention of this training is to develop the required fitness and stamina for those intending to qualify in competitions outside of the weekly Trundle Swim Club meets e.g. NSW Western Region or State swimming carnivals. Training will also help to improve swimmer's times each week in Club meets, however, if your swimmer is not at the required level for Mr Burley's training – have no fear! You can also simply go to the pool as much as possible and encourage practicing of strokes, or swimming as many laps as they can manage. This regular practice will also improve their fitness and their performance each week.

Apprentice Greenkeeper

Parkes Golf Club– Central West NSW
Full time

Parkes Golf Club is situated in Central West NSW 4.5 hours from Sydney, 3 hours from Canberra, Parkes is a progressive town with the inland rail and activation precinct bringing many new jobs to the area. Great Regional shopping within a 90 mins, Parkes has an air and rail service to Sydney, The Golf course consists of an 18-hole grass green facility with a new practice net area and small practice range. The club is currently seeking to employ an enthusiastic and motivated individual in the role of Apprentice Greenkeeper to join our small team.

The successful applicant will have the exciting opportunity to be a part of the golf maintenance team with aspirations of presenting the course at industry-leading standards. They will be highly trained in the various aspects of golf course management. You will learn about irrigation system maintenance, our program for preventative maintenance and working on the golf course, and grounds maintenance of the clubhouse.

As an Apprentice, you'll work under the guidance of our experienced and passionate Head Green Keeper to learn about all things golf course and turf maintenance. Every day will be different in this role, where you will develop your skills to become a qualified Turf Tradesperson.

Key Responsibilities

- Maintaining the greens and playing surfaces to an excellent playing standard
- Operation & maintenance of all turf and other related equipment and ensuring timely servicing/repairs
- Chemical and fertiliser application
- Pest, disease & sound watering practices
- Upholding the presentation of the Club

Essential requirements for the role

- A team-oriented, highly motivated person and an eye for detail
- A natural love for working outdoors with varying weather conditions
- A strong work ethic and being physically fit for manual work
- Ability to prioritise and manage time effectively and learn how to multi-task
- Ability to attend work with early morning starts, therefore transport and license is essential
- It will be an advantage if the applicant has a strong desire to build a long-term career in the sports turf industry.

We're offering

- A full-time salaried position + 9.5% superannuation.
- All TAFE training (trade school) fees are paid for by Parkes Golf Club.
- On-going training, mentoring and career & personal development opportunities.

Please forward your covering letter and resume to: The Secretary, Parkes Golf Club at parkesgolfclubsecretary@outlook.com

Applications Close Friday 24th December 2021
