Term 3 Week 1

23 July 2024

SECONDARY REWARD TRIP

Secondary Reward Excursion

The Semester 1 Secondary Reward Trip was held in the last week of Term 2. Students who were eligible enjoyed a day in Parkes. They played bubble soccer, archery tag and indoor soccer at the Parkes PCYC. The fun activities were then continued at the Squash Centre. Pizza and ice-cream in the park topped the day off.

Thanks to Mr Ridges for organising the day for students to enjoy!

WORD OF THE WEEK

Week	Word	Type	Dictionary Meaning	Did you know?
1	Jocular (JOK-yuh-luh)	Adjective.	Jolly or fond of joking; humorous.	Comic Relief is a UK charity founded in 1985 in response to the famine in Ethiopia. Every two years, the charity puts on Red Nose Day, in which people everywhere are encouraged to do silly or funny things to raise money. There is also a televised fund-raising event in which comedians and celebrities come together to host an evening of <i>jocular</i> entertainment.

JOCULAR

Please advise the school if there are any changes to your child's bus arrangements.

Welcome Back To Term Three

We are very excited to return to school after a lovely two week break!

SCHOOL PHOTOS

This Thursday will be our school photo day. Please ensure your children are wearing the correct uniform. This includes black school shoes.

Year 5/6 Bright Futures STEM day

Year 5/6 will attend a STEM day at Middleton Public School today. What a great way to start the term!

Major Excursion – Wambangalang/ ZooSnooz

Just a reminder that a \$25 payment for our Term 4 excursion is due by Friday 2nd August. Parents are most welcome to pay for the excursion in full if they desire to do so.

Small Schools Soccer Knockout

On the final day of term 2 our fabulous soccer team travelled to Bedgerabong for the second round game of the Small Schools Soccer Knockout competition. It was a beautiful day for soccer and the team were excited to play. Bedgerabong scored the first goal and Trundle quickly evened the score. At half time the score was 1-1. Bedgerabong went on to score another goal. Our team were determined and didn't give up, defending well and not allowing Bedgerabong to score any more goals. The students played with a high level of sportsmanship and enjoyed their day out. Thank you to Mr Burley for training and transporting the team. Thank you to Mrs Southon for supervising and encouraging our team.

reading is .
magic ✨

To ensure parents have plenty of warning:
This year we will have our bi-annual Book Week dress-up day during Week 5.
Exact date to be confirmed

CHILDREN'S BOOK WEEK | 2024

End of Term – Year 3/4

The Year 3/4 class were rewarded with a pancake morning at the end of term 2. They had worked extremely hard, shown kindness to each other, worked well in group work and shown respect to each other and the teachers. What a wonderful class!

I am
100 days
smarter

Wednesday 31st July

To celebrate the 100th day of school and the fact that we have improved our learning by 100 days!

K-2 students are encouraged to come to school dressed in their brightest colours (To show how much brighter we have become

😊). They will engage in numerous investigations on everything related to 100. In the afternoon, we have a class party to wrap up our activities.

Miss Downes

Secondary

Welcome back to Term 3.

Hopefully, all reports have made it home and families have been able to reflect on the results our students have achieved. Please remember we would welcome any conversation on how we can work in partnership to improve student outcomes.

This semester our staff are working on improving our reporting to be more in line with the state. It is one of the few drawbacks of having small cohorts of students is that it makes the grades aspect of the reports difficult to convey meaning. As a school we have been reporting within our cohort rather than against the set General Performer Descriptors. As we work on standardising our internal grades so that they match the external grades students receive at the completion of Year 12, parents may notice some differences in our future reports.

Generally speaking, a student who is performing at the “usual” level of knowledge and competency for their year level would be considered to be “Sound” and would receive a “C” grade. This would be normal for all students at that age. To receive a “High” (B) the student needs to demonstrate a “thorough” knowledge and understanding and a high level of competence in applying skills, and be able to apply these attributes to most situations. Finally, an “Outstanding” (A) needs to display an extensive understanding of content.

Year 12 have commenced their final term of school!! We will be regularly checking in with our students as they approach the end of their school time.... forever. There will be plenty for our students to do as they approach their HSC and our mentors will be working with them to ensure they are all coping with the added pressures of Year 12.

This semester we have made some adjustments to our Welfare System to enable us to discern between our students better. In particular, we

have strengthened the link between the submission of assessments on time and the students' welfare level. We have spoken with the students and will continue to support them as we implement these changes.

This semester will include major examinations in some subjects in Term 4. To assist our students in attaining results that fully reflect their academic potential and effort they will be given study guides this week to assist them in setting up a timetable to allow them to maximise their time outside of school. Teachers will provide students with the content of the exams next week, and study guides and materials by Monday of Week 4.

Years 11&12 will have the second Western Access Program camp next week. We will be departing from school at 7 am on Monday, and returning on Wednesday in time for buses hopefully. All students have received a note and a packing list.

Have a great week
Gerry Capell

LIBRARY

Week 1

CHILDREN'S BOOK WEEK 2024

To ensure parents have plenty of warning: this year we will have our bi-annual Book Week dress up during Week 5. More information to come!

STEM

We are currently planning our STEM lessons and activities for this term, designed to ignite curiosity and foster a love for science, technology, engineering, and math. Our engaging, hands-on sessions will provide students with the opportunity to explore real-world applications, collaborate on innovative projects, and develop critical thinking skills. Whether it's building robots, conducting experiments, or solving complex problems, there's something for everyone to enjoy and learn. Stay tuned for more photos and updates as we dive into these exciting educational adventures. We can't wait to share the journey with you!

REMINDERS

Kindly prompt your child to return all borrowed books to the library once they have finished reading them. Thank you.

K/I/2 BOOK BORROWING:

Please encourage your child to remember to bring their library bag every Monday. This simple habit helps protect the books and minimises the possibility of loss or damage, ensuring that all students can continue to enjoy a wide range of reading materials in excellent condition. By fostering this responsibility, we can maintain our library collection for everyone's benefit. Thank you.

CHANGES TO ENTRY TICKETS FOR OUR EVENT!

This is a courtesy message/heads up that due to the number of amazing attendees last year, we have had to make the difficult decision in capping ticket sales.

TRUNDLE BUSH TUCKER DAY 2024

WHAT THIS MEANS

We are strongly encouraging all 2024 attendees to pre-purchase your entry tickets, at this stage **there will be no guarantee that tickets will be available on the gate on the day.** So buy your tickets now, you are able to cancel/refund your tickets up to 7 days before our event. Contact 123Tix directly for your refund if unable to attend.

Thank you, Trundle Bush Tucker Committee

Media Release

Rooting For A Greener Parkes: Celebrate National Tree Day 2024

Parkes Shire Council, in collaboration with Central West Lachlan Landcare and Planet Ark, is celebrating National Tree Day on Sunday 28 July 2024, 10am to 12pm. The event will take place at the Parkes Wetlands on Akuna Road, adjacent to the Parkes Wastewater Treatment Plant.

National Tree Day is Australia's largest community tree-planting and nature care event. Each year, approximately 300,000 Australians volunteer their time to participate in various environmental activities, educating themselves and others about the natural world.

Participants can register to volunteer through the National Tree Day website or sign up in person on the day of the event. Attendees are urged to wear durable footwear and warm clothing, and to bring adequate quantities of water.

For the Parkes Shire, this year's planting efforts will focus on re-establishing Fuzzy Box woodland community and connecting it to the mature riparian vegetation along Goobang Creek. This initiative builds on previous National Tree Day activities held across the wetlands site and promises to leave a lasting legacy.

Parkes Shire Council's Environmental and Sustainability Coordinator, Michael Chambers, expressed the benefits of the tree planting initiative.

"Over decades, the plantings will mature and eventually become hollow-bearing trees, creating crucial habitat for many native animals. This will enhance the local ecosystem and improve outcomes for our local natural environment," Mr Chambers said.

Getting involved in National Tree Day offers citizens an opportunity to enjoy the outdoors while making a personal contribution to the environment. The event aligns with Planet Ark's vision of fostering a deeper connection between people and nature.

In addition to National Tree Day on 28 July, Parkes will also observe School Tree Day on Friday, 26 July. These events are part of a nationwide initiative organised by Planet Ark, with the support of major sponsor Toyota Australia and its Dealer Network.

Since its inception in 1996, the National Tree Day program has significantly impacted Australian communities, with approximately 27 million trees planted to date.

For more information and to find local events, please visit [National Tree Day](https://www.nationaltreeday.com.au).

TOUGH TIMES REQUIRE STRONG ACTION

IT'S TIME TO COME TOGETHER FORBES IF NOT FOR YOU, FOR SOMEONE ELSE

SESSION INFORMATION

Phil from the Rural Adversity Mental Health Program (RAMHP) will be presenting a psycho-educational session for adults.

The session will provide support and resources, normalise emotional reactions, promote coping strategies and reduce the long-term psychological impact of anxiety and stress.

The strategies you learn can be easily adapted to your children. Mental health

- How to de-escalate intense emotions and stress
- How to manage difficult thoughts and feelings
- How to have the conversation (if you think someone is at risk of suicide)
- Planning improved wellbeing
- Where to find help
